DEDICATION

Priscilla R. Lindquist

This year's Annual Report is dedicated to Priscilla Lindquist, who has been a longtime resident, employee and volunteer for the Town of Hampstead. Priscilla began her employment with the Town in 1963 and became the first fulltime employee in 1975 as the Administrative Assistant to the Board of Selectmen. Upon her retirement in 2003, she continued to be active as member of the Historic District Commission/Heritage Commission. Priscilla became a Selectman 2004 and continued her commitment to the Town until August of 2017. We would like to thank her for all of the years of service and her dedication.

SELECTMEN'S REPORT

This year has been one that has presented the Town of Hampstead with many experiences and challenges. The Fire Department continued providing 24-hour coverage, which began in July 2015. This coverage has made quicker response times to emergencies within our community possible. The police department has added a new member to the department to continue to keep our community safe for our citizens. The Highway Department completed the top coat of Emerson Avenue and the partial reconstruction of Wash Pond Road over the summer. The construction of the 180-foot wireless communication tower has been completed on town-owned land, this will improve communications for not only our fire and police departments but also our residents. The Town will receive rental revenue for the use of this land, which will be used to help offset the money needed to be collected through taxation.

The summer concert series that is sponsored by the Cable Committee was well attended this year and many residents are anticipating the upcoming summer concerts at Meetinghouse Park. Thank you to the Cable Committee for their sponsorship of these concerts and all their efforts not only to put on these concerts, but also for the countless hours they put in to televise town events and meetings.

Our Recreation Commission had another successful year with youth and adult sporting activities, maintaining all of our sporting facilities with the help of other civic organizations and citizens of Hampstead. The 5th Annual Turkey Trot on Thanksgiving Day morning had another big turnout this year.

The Hampstead Firemen's Association put on another great Christmas parade this past December. It is a wonderful event each year and we hope will continue for many years to come.

The Hampstead Public Library received the honor of being named 2017 NH Library of the Year. We encourage all residents to visit the Library to enjoy the many events and resources they have available.

The Board of Selectmen wishes to thank all members of our Town boards, committees and commissions for their service to the community. We'd also like to thank the employees for all that they do, whose dedication to the town is experienced by all the residents of Hampstead.

As 2017 has come to a close and we move into the future, we encourage all members of the community to be involved in Hampstead, in any capacity you can, to help ensure Hampstead will continue to be one of the best places to live. With that sentiment in mind, one of the town buildings that will need to be addressed in the upcoming years will be the Memorial Gymnasium. This building has served our

SELECTMEN'S REPORT

community well in many capacities over the years. While we have been able to keep it in a condition that is still being utilized by our community today, however, a plan for the replacement of this building will need to be devised in the near future.

Finally, the Board would like to remind voters that voting on the School Warrant and the Town Warrant will be held in the Hampstead Middle School on Tuesday, March 13th, 2018. The polls will be open from 8 AM to 8 PM.

Sincerely,

Sean P. Murphy

Board of Selectman-Chairman

ARTICLES

2. Are you in favor of the following as proposed by the Planning Board for the Hampstead Zoning Ordinance:

To see if the Town will vote to amend Article I-4:0 Definitions and Article III-2:5 Residential Zone A (Structure/Dwelling Regulations) of the Zoning Ordinance to read:

Article I-4:0 Definitions: "BUILDING, ONE AND ONE HALF STORY: A building where the gross floor area of the second floor, where the height from the floor to the ceiling exceeds five (5) feet, is greater than 33%, but shall not exceed 67% of the gross floor area of the first floor (story above grade) of the dwelling. The first floor area, for this calculation does not include basement. The second floor area (67% maximum) must be directly over the first floor area used for the calculation."

And

Article III-2:5 (B) HEIGHT: "The maximum accessory building height in Zone A shall not exceed 24 feet measured from the average grade immediately surrounding the structure to the highest peak and shall not exceed more than one and one half stories."

Recommended by the Planning Board 7-0

1154

YES ☒

NO ☐

360

3. Are you in favor of the following as proposed by the Planning Board for the Hampstead Zoning Ordinance:

To see if the Town will vote to amend Section IV-14 (Inlaw/Accessory Apartments) of the Zoning Ordinance by replacing it with the following:

Accessory Dwelling Units (ADU)

IV-14.0 Purpose

This section concerns the permitting and use of Accessory Dwelling Units (ADU). This provision is adopted as an innovative land use control under RSA 674:21 and the Planning Board is vested with sole authority to administer it and to grant conditional use permits for ADUs.

IV-14.1 Definition

Accessory Dwelling Unit (ADU) means a residential living unit that is within or attached to a single-family dwelling and that provides independent living facilities for one or more persons, including provisions for sleeping, eating, cooking, and sanitation on the same parcel of land as the primary dwelling unit (PDU) it accompanies.

ARTICLE 3 CONTINUED ON BACK OF BALLOT

TURN BALLOT OVER AND CONTINUE VOTING

ARTICLES CONTINUED

ARTICLE 3 CONTINUED

IV-14.2 Conditional Use Permit Requirements

A. Approval

ADUs must receive a conditional use permit from the Planning Board before construction or use. Applications for a conditional use permit shall be subject to the same procedures as site plan review. The Planning Board may grant a conditional use permit for an ADU provided that the Planning Board finds all of the following criteria are met:

1. Location

ADUs are only allowed in Residential Zone A and Recreational Zone B.

2. Lot Size

The lot with an ADU must meet the full lot size requirements for the residential zone in which the lot is located as given by II-1 (Soil Based Lot Size).

3. Septic

The septic system for a lot with an ADU must be of sufficient size to handle all bedrooms in the primary and accessory dwelling units and comply with RSA 485-A:38. This fact must be verified by a State of New Hampshire licensed septic designer and approved by the Hampstead Building Department. The system must be installed prior to the issuance of an occupancy permit.

4. Well/Water Source

The lot must have an adequate well/water source to serve the combined needs of the PDU and ADU. The lot may have off-site public-use water supply, or have an on-site well that is tested regularly for NH state environmental requirements.

5. Structure and Use

- a. The ADU is contained within or will be an addition to an existing or proposed single family dwelling.
- b. The ADU shall be less than 50% of the square area of the PDU and shall be incidental and subordinate to the PDU.
- c. The ADU must be designed such that the appearance of the structure remains that of a single-family dwelling.
- d. The primary and accessory units shall be connected by an interior door.
- e. Only one Accessory Dwelling Unit is permitted per lot.
- f. No more than two bedrooms are permitted in the Accessory Dwelling Unit.
- g. Occupancy in the ADU is limited to the use of two people per bedroom unless the septic system is designed and installed to accommodate more occupants per bedroom.
- h. The owner of the lot must occupy either the PDU or the ADU as the owner's primary place of residence. The owner must provide evidence that the lot is the owner's principal place of residence.
- i. Any lot with an ADU must have sufficient off-street parking to meet the combined needs of the PDU and ADU.
- j. The PDU, ADU, and lot shall be owned by the same person.

IV-14.3 Detached Accessory Dwelling Units

Detached Accessory Units are not allowed. A detached unit includes but is not limited to a connection from one structure with an ADU to another structure with the PDU by a breezeway.

IV-14.4 Certification

Any owner who applies to build an accessory dwelling unit in either an existing single-family home or proposed single-family home must sign a certification that the owner will occupy either the PDU or ADU as the owner's principal place of residence. When a lot with an existing approved ADU or in-law apartment is sold or conveyed to a new owner, the new owner must sign the same certification. The signed certification shall be recorded at the owner's expense in the Rockingham County Registry of Deeds. The certification for a lot with an existing approved ADU or in-law apartment shall be filed in the Rockingham County Registry of Deeds at the time title is transferred and a failure to do so will invalidate the previous approval.

IV-14.5 Restrictions

The PDU, ADU, or lot cannot be converted to a condominium or any other form of legal ownership distinct from the ownership of the single family dwelling.

Recommended by the Planning Board 7-0

4. Are you in favor of the following as proposed by petition for the Hampstead Zoning Ordinance:

To see if the Town will vote to delete Article IV-5:4, (A), (B), (C), (D) Seasonal Dwelling Conversions (Conversion Requirements) and Article IV-5:5, Seasonal Dwelling Conversions (Permit) and replace it with IV-5:4 Seasonal Dwelling Conversions (Conversion Requirements) to read as follows:

SEASONAL DWELLING CONVERSION

IV-5:4 Conversion Requirements

The conversion of a seasonal dwelling to a home which is, or may be, used as the primary or year-round dwelling shall require a Certificate of Occupancy from the Building Inspector of the Town of Hampstead ensuring compliance with all applicable town codes such as electrical code, insulation code, plumbing code and the heating system and gas inspections. A State of New Hampshire subsurface disposal system meeting the requirements of Env-Wq 1000 must be designed and installed prior the issuance of an occupancy permit.

Default Budget of the Municipality

Hampstead

For the period beginning January 1, 2018 and ending December 31, 2018

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

This form was posted with the warrant on: January 23, 2018

REPORT ON INTERNAL CONTROL BASED ON AN AUDIT OF BASIC FINANCIAL STATEMENTS

To the Board of Selectmen
Town of Hampstead, New Hampshire

In planning and performing our audit of the financial statements of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Hampstead, New Hampshire (the Town) as of and for the year ended December 31, 2016, in accordance with auditing standards generally accepted in the United States of America, we considered the Town's internal control over financial reporting (internal control) as a basis for designing our auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified a deficiency in internal control that we consider to be a significant deficiency.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiencies in internal control to be significant deficiencies:

PAYROLL CONTROLS

Observation

During a review of payroll transactions, we noted instances where control procedures in place were not properly followed. A sample of 25 transactions was tested, of which there were three instances of time card deficiencies and three instances of pay rate deficiencies. The timecards examined had total hours worked which did not add to the total amount of hours that were paid out. The employee did not correctly report the time and the review process by the department supervisor did not detect and correct the error. In the other instances, there was no formal documentation on file to reflect the rate of pay at which the employee should have been paid. There was an instance where the employee worked a different position

AUDIT REPORT

and received a different rate than normal, and these additional duties did not have a rate of pay form on file. Two commission employees had no standard pay rate documentation in their personnel files.

Implication

Internal controls over payroll are weakened. There is an increased risk that employees will be paid incorrectly if there is not a formal document maintained with their rate of pay. There is an increased risk of timecard abuse when employees do not fill out the timecards appropriately and the controls in place are not adhered to or are inadequate in detecting the errors.

Recommendation

We recommend that the procedures for filling out and then reviewing the time cards are reviewed with by employees and the department supervisors to ensure appropriate timecard management. We also recommend that all employees and all positions have a formal pay rate form on file.

SEGREGATION OF DUTIES

Observation

During an inquiry over general ledger management we noted a lack of segregated duties. It was noted that the Treasurer has access to the general ledger and posts cash related entries, including transfers and interest. The observation is that the Treasurer has conflicting roles in the financial process, as the individual posting the transactions and then reconciling that activity.

Implication

Internal controls over financial transactions are weakened. If the same individual is involved in multiple, conflicting key processes, there is increased risk for errors to go undetected and uncorrected. In addition, there is increased risk of misappropriation of assets.

Recommendation

It is recommended that the reporting of and custody over assets of the Town are kept separate. We recommend that the Treasurer does not have access to the Town's financial reporting software. We suggest that if the Treasurer would like to view transactions for purposes of reconciling, this is granted through read only permission in the software.

This communication is intended solely for the information and use of management, the Board of Selectmen, and others within the organization and is not intended to be and should not be used by anyone other than these specified parties.

Manchester, New Hampshire
September 11, 2017

ANIMAL CONTROL

The ACO worked with the Town Clerk's office and through an aggressive campaign there were 1595 dogs licensed in 2017. Below is the income brought into the Town of Hampstead. The ACO served 188 civil forfeitures for dogs that were not licensed. The ACO responded to calls that involved everything from cruelty complaints, lost dogs/cats, found dogs/cats, feral cats, loose livestock, injured animals, animal bites, abandoned animals, wildlife issues, assisting with NH Fish and Game maintaining licensing throughout the year and serving civil forfeitures. The ACO has also assisted with releasing, after they have recovered, injured owls or birds of prey with Jane Kelly, a NH licensed rehabber.

2017 Dog License Revenue

Number of Dogs Licensed 1595	Total of License fees collected	\$ 9,902
Civil Forfeiture fines served 188	Total of Civil Forfeiture fines	\$ 4,400
Dog License late fees	Total of late fees	\$ 749
Other fines issued by the ACO	Total of other fines issued	\$ 125
Total Dog License Revenue		\$15,176

The Rabies Clinic date will be held in April. The date will be announced shortly. Hampstead Animal Control and Hampstead Fireman's Association will host its annual rabies clinic located at the Hampstead Fire Station. This will be held in cooperation with Dr. Barnes of Edgefield Animal Hospital, Hampstead, NH. This is a low cost rabies clinic and is open to anyone regardless of residency. Hampstead Town Clerk will be there to register your dog (s) for town residents. State law requires dogs to be licensed by April 30th of each year. If you no longer have your pet please let us know.

Animal Control can be reached 24/7 by calling 679-2225 x0. If you have lost your pet or want to report a stray or found pet or other animal related calls this is the best way to reach us. While social media is a great way to communicate we urge you to call and report to us as soon as the problem arises. Not everyone is on social media.

The Department continues to actively participate in disaster trainings. ACO Johannesen is currently involved in NHDART (New Hampshire Disaster Animal Response Team) and serves as a board member for the NHDART. This involvement is on the ACO's own time and at no expense to the Town. ACO Assistant Wentworth and ACO Johannesen both attended NEACHA (New England Animal Control Humane Academy) in July.

ANIMAL CONTROL

I would like to thank all those who have supported us helping the strays who needed our help; you're all truly the best. I would like to thank Dr. Brad Barnes and his staff at Edgefield Animal Hospital who always go above and beyond for us.

On behalf of the Animal Control Department, we thank you for your continued support.

Respectfully,

Sheila Johannesen
Hampstead Animal Control Officer

ASSESSOR'S REPORT

The firm of Municipal Resources, Inc. continues to handle the assessing functions for the Town. The primary members of the staff working in Town are, Scott Marsh, Jerry Quintal and Dan Scalzo. Additional staff members may be assisting. It is requested that if any of the assessors come to your property, you support the Town's efforts to keep assessments equitable and proper by answering questions and allowing them to inspect and measure your property.

Municipal Resources personnel are available to meet with taxpayers and if an appointment is desired, Dawn Shaw or Debbie Bryant in the Assessing Office can schedule one for you. Both are great resources should any information be desired.

The past year saw the assessing office handle 13 abatement requests. There were also roughly 350 properties reviewed due to taxpayer inquires, issued building permits, incomplete status of prior year review and/or site change which resulted in roughly a \$2,700,000 increase in the Town's total taxable value. Assessing staff is continuing the process of reviewing 25% of the properties each year to ensure the accuracy of property details listed on the individual property record cards.

A preliminary analysis completed by the Department of Revenue Administration sale and assessment comparison information indicates that the Town's assessment ratio for the 2017-tax year is 81% .

PROPERTY TAX RATES - TAX YEARS 2014 - 2017

TOWN WARRANT

and

TOWN BUDGET

**TOWN WARRANT
THE STATE OF NEW HAMPSHIRE**

**FIRST SESSION OF THE ANNUAL MEETING
(DELIBERATIVE SESSION)
FRIDAY, FEBRUARY 9, 2018
7:00 P.M.
HAMPSTEAD MIDDLE SCHOOL**

To the inhabitants of the Town of Hampstead in the County of Rockingham in said state, qualified to vote in town affairs:

You are hereby notified to meet at the Hampstead Middle School in said Hampstead on Friday, February 9, 2018 at seven o'clock in the evening, for the explanation, discussion, and debate of each Warrant Article, and to transact all business other than by voting by official ballot.

**SECOND SESSION OF THE ANNUAL MEETING
(VOTING)
TUESDAY, MARCH 13, 2018
8:00 A.M. TO 8:00 P.M.
HAMPSTEAD MIDDLE SCHOOL**

To the inhabitants of the Town of Hampstead in the County of Rockingham in said state, qualified to vote in town affairs:

You are hereby notified to meet at the Hampstead Middle School in said Hampstead on Tuesday, March 13, 2018 at eight o'clock in the forenoon, to elect officers of the Town by official ballot, to vote on questions required by law to be inserted on said official ballot and to vote on all Warrant Articles from the First Session.

ARTICLE I

To choose all necessary town officers for the ensuing year. (By Official Ballot)

ARTICLE 2

Are you in favor of the following as proposed by the Planning Board for the Hampstead Zoning Ordinance:

To see if the Town will vote to delete Article IV-5:6 Special Exception for Seasonal Dwelling Conversion, since the requirements for Seasonal Conversion were changed last year.

ARTICLE 3

Are you in favor of the following as proposed by the Planning Board for the Hampstead Zoning Ordinance:

To see if the Town will vote to delete Article III-2:3, 3 Special Exception for In-Law/Accessory Apartment since these were changed to Accessory Dwelling Units (ADU) last year.

ARTICLE 4

Are you in favor of the following as proposed by the Planning Board for the Hampstead Zoning Ordinance:

To see if the Town will vote to amend Article II-1:1 D. 1 and Article II-2:6 A. to read: No septic system, leach field, or other wastewater disposal facility shall be installed within 75 feet of any very poorly drained soil or surface water; or 50 feet from any poorly drained soil.

ARTICLE 5

Are you in favor of the following as proposed by the Planning Board for the Hampstead Zoning Ordinance:

To see if the Town will vote to amend Article IV-14:2 5:H by further defining the owner to read: If ownership is by a legal entity (such as a corporation, LLC, trust, etc.) the "owner" for this section has to be the majority owner of the legal entity.

ARTICLE 6

To see if the Town will vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **\$6,463,086** (Six Million Four Hundred Sixty Three Thousand Eighty Six Dollars). Should this article be defeated, the default budget shall be **\$6,486,135** (Six Million Four Hundred Eighty Six Thousand One Hundred Thirty Five Dollars) which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting in accordance with RSA 40:13 X and XVI, to take up the issue of a revised operating budget only.

Recommended by the Board of Selectmen 3-0

Recommended by the Budget Committee 5-0 (advisory only)

ARTICLE 7

To see if the Town will vote to approve the cost items included in the 3-year collective bargaining agreement reached between the Hampstead Board of Selectmen and the New England Police Benevolent Association Local No. 37 of New Hampshire, effective April 1st, 2018, which calls for the following increases in salaries and benefits at the current staffing levels:

Estimated Increases:

	2018 Year 1 (9 months)	2019 Year 2 (12 months)	2020 Year 3 (12 months)	2021 Year 4 (3 months)
Salaries	\$19,990	\$24,183	\$20,679	\$4,171
NH State Retirement	\$ 5,201	\$ 6,187	\$ 5,367	\$1,066
FICA and Medicare	\$ 175	\$ 239	\$ 184	\$ 60
TOTAL	\$25,364	\$30,609	\$26,230	\$5,297

and further to raise and appropriate the sum of \$25,364 (Twenty Five Thousand Three Hundred Sixty Four Dollars) for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels.

Recommended by the Board of Selectmen 3-0

Recommended by the Budget Committee 5-0 (advisory only)

ARTICLE 8

Shall the Town, if Article # 7 is defeated, authorize the Board of Selectmen to call one special meeting, at its option, to address Article # 7 cost items only.

Recommended by the Board of Selectmen 3-0

ARTICLE 9

To see if the Town will vote to raise and appropriate \$10,000 (Ten Thousand Dollars) to be placed in the existing Building Repairs and Maintenance Expendable Trust Fund.

Recommended by the Board of Selectmen 3-0

Recommended by the Budget Committee 5-0 (advisory only)

ARTICLE 10

To see if the Town will vote to raise and appropriate \$10,000 (Ten Thousand Dollars) to be placed in the existing Hampstead Public Library Building Maintenance Non-Capital Reserve Fund.

Recommended by the Board of Selectmen 3-0

Recommended by the Budget Committee 4-0-1 (advisory only)

ARTICLE 11

To see if the Town will vote to raise and appropriate the sum of \$700 (Seven Hundred Dollars) to support Retired Senior Volunteers.

Recommended by the Board of Selectmen 3-0

Recommended by the Budget Committee 5-0 (advisory only)

ARTICLE 12

To see if the Town will vote to raise and appropriate the sum of \$1,000 (One Thousand Dollars) for Child and Family Services.

Recommended by the Board of Selectmen 3-0

Recommended by the Budget Committee 5-0 (advisory only)

ARTICLE 13

To see if the Town will vote to raise and appropriate the sum of \$5,000 (Five Thousand Dollars) for Isaiah 58.

Recommended by the Board of Selectmen 3-0

Recommended by the Budget Committee 5-0 (advisory only)

ARTICLE 14

Shall the Town vote to amend the Recreation Revolving Fund established pursuant to RSA 35-B:2, II at the 2010 Town Meeting so that the money received by the Town from all recreation activities, events, or trips will be deposited into the fund. These funds may be expended only for the purposes authorized in RSA 35-B and no expenditures shall be made in such a way as to require that the expenditure of other Town funds that have not been appropriated for that purpose. The money in the fund shall be allowed to accumulate from year-to-year, and shall not be considered part of the Town's general fund or the Town's general surplus. The Town Treasurer shall have custody of all monies in the fund, and shall pay out the same only upon order of the Recreation Commission and no further approval is required by the legislative body to expend.

Recommended by the Board of Selectmen 3-0

ARTICLE 15

To see if the Town will vote to raise and appropriate \$5,000 (Five Thousand Dollars) for the purpose of forest management, maintenance and other costs associated with the care of Town Forest land and to authorize the withdrawal of that amount from the Town Forest Maintenance Account.

Recommended by the Board of Selectmen 3-0

ARTICLE 16

Shall the Town adopt the following ordinance prohibiting the operation of motorized vehicles on the Town's Conservation land and the Town Forest?

ORDINANCE

It shall be unlawful for any person to operate a motorized vehicle on Town of Hampstead Conservation Land or the Town Forest. An exception to this ordinance would be emergency vehicles and those authorized by the Hampstead Conservation Commission. The definition of motorized vehicles shall include but is not limited to snowmobiles, ATVs, off highway vehicles, mopeds, motorcycles, motor-driven cycles and any other motorized vehicles as defined by RSA 259.

PENALTY

Any person violating this ordinance shall be guilty of a Violation level offense and fined not less than \$250 dollars for a first offense and not less than \$500 dollars for a subsequent offense. Maximum fine shall be \$1,000.

NOT Recommended by the Board of Selectmen 1-2

ARTICLE 17

To see if the town will freeze the school portion of town property tax to property owners over the age of 65 years. Thereby keeping the future school portion of the property tax, payable by a property owner, to that applicable at the age of 65 years. This will eliminate escalation of the school portion of taxes for those on fixed incomes. This is similar to other municipalities in the USA.

(by petition)

Given under our hands and seal, the 23rd day of January, in the year of our Lord, Two Thousand Eighteen.

HAMPSTEAD BOARD OF SELECTMEN

Sean P. Murphy

Chad R. Bennett

Joseph A. Guthrie

A true copy of Warrant - Attest:

HAMPSTEAD BOARD OF SELECTMEN

Sean P. Murphy

Chad R. Bennett

Joseph A. Guthrie

We hereby certify that we gave notice to the inhabitants within named, to meet at the time and place and for the purpose within mentioned, by posting up an attested copy of the within Warrant at the place of meeting within named, and a like attested copy at the Hampstead Middle School, the East Hampstead Post Office, and the Hampstead Town Office Building, being public places in said Town on the 23rd day of January, 2018.

HAMPSTEAD BOARD OF SELECTMEN

Sean P. Murphy

Chad R. Bennett

Joseph A. Guthrie

ASSESSOR'S REPORT

information and applications are available at the assessing office.

ELDERLY EXEMPTION

\$ OFF ASSESSED VALUATION

AMOUNT	REQUIRED AGE	INCOME LIMITATIONS	ASSET LIMITATIONS
\$125,000	65 TO 74	Not in excess of	Not in excess of \$100,000
\$150,000	75 TO 79	\$32,500 if single,	excluding the value of
\$200,000	80 AND UP	\$40,000 if married	the residence & up to 2 acres

PERMENTLY DISABLED

\$ OFF ASSESSED VALUATION
\$50,000

The income and asset limitations are the same as the elderly exemption. As with the elderly exemption, the taxpayer must also be a resident of New Hampshire and own/occupy the real estate.

BLIND EXEMPTION

\$ OFF ASSESSED VALUATION
\$50,000

Every inhabitant owning residential real estate and who is legally blind, as determined by the administrator of blind services of the vocational rehabilitation division of the education department.

VETERAN

**Standard & All Veterans
Tax Credit \$500**

Every resident who served in the armed forces in any of the qualifying wars or armed conflicts as listed in RSA 72:28 or not less than 90 days of active service per RSA 72:28-b and was honorably discharged; or the spouse/surviving spouse of such resident

**Surviving Spouse
Tax Credit \$2,000**

The surviving un-remarried spouse of any person who was killed or died while on active duty in the armed forces, as listed in RSA 72:28

**Service connected
Disability
Tax Credit \$2,000**

Any person who has been honorably discharged and received a form DD-214 and who has a total and permanent service connected disability, or is a double amputee or paraplegic because of the service-connected injury, or the surviving spouse of such person if such surviving spouse has not remarried.

BUILDING DEPARTMENT REPORT

During the year 2017 we have seen another year with increased construction activity throughout all construction sectors. This is the seventh year in a row with strong gains in construction spending and general activity. The stock market continues to climb and this should be another positive sign that the economy will grow at an increased rate. A total of 185 building permits were issued with a total construction dollar value of \$7,838,050. This represents a 43.40% increase in construction dollar value when compared to 2016.

In 2017 we have permitted 11 new single family homes, 3-2 family homes, 2 manufactured homes and 1 commercial communications tower. We also issued 168 permits for alterations, additions, demolition and change of use. 80 permits were issued for septic system replacement and percolation soil tests. 15 sign permits were issued to various locations around Town. We continue to see shoreline redevelopment occur around our lakes. The shore land redevelopment of properties continues to benefit the Town with new modern safe construction and state of the art sub surface disposal systems being installed, thus reducing the nutrient loading of our water bodies. Storm water management continues to decrease the amount of run-off into our lakes. Construction continues at the seven residential lots on Hastings Drive and Labrador Lane is currently 50% built out. A new indoor self-storage facility is open and occupied in the old Consolidated Plastics building at 184 Route 111. Jamison's Restaurant phase 1 is open while construction continues on phase 2 at 472 Route 111. We continue to field inquiries from prospective commercial developers in the various zones throughout town. New residential plans have been submitted and are awaiting review by respective boards.

Debra Bryant and Dawn Shaw both work as support staff for the Building Department and Assessors office for the regularly scheduled business hours. I serve as Chief Building Official in a full time capacity. Michael DiBartolomeo along with Robert Bogosh serve as assistant building inspectors. Anthony Iuele serves as our electrical inspector and Michael Hartnett continues as our plumbing inspector. Deputy Chief Will Warnock is our Fire Inspector. Once again, I would like to personally thank my employees who are part of a dedicated team constantly striving to make Hampstead a safer community.

Respectfully Submitted,

Kristopher Emerson
Chief Building Official

HAMPSTEAD CONSERVATION COMMISSION

This year the Commission completed a purchase of 11.56 acres of land near Collette Drive that was part of our Wildlife Corridor projects and part of our Land Purchase Priorities for conservation in Hampstead. This purchase added to the 77.44 acres already purchased over the last decade and border another 95 acres in conservation trusts managed by Society for the Protection of New Hampshire Forests. This land connects to Derry Conservation land called Collette Mountain and Weber Forest which adds another 268 acres. Total land protected between the two communities is 452 acres which makes for a success story for our wildlife corridor stretching north of Big Island Pond.

Our trail system has grown dramatically over the past few years with it connecting to Plaistow and Atkinson making for wonderful hiking and biking. This year we had a medical emergency on the Plaistow trails not far from our trails which needed medical extraction by a rescue team. This event had problems due to none of the rescue teams had updated maps or GPS location of the injured person. The three fire departments requested that a committee be formed to answer this problem and come up with a solution that all three Towns will adapt. Brent Ebner represents Hampstead and has done a fine job in pushing for a consensus from the group. We should have a solution by the end of 2018 and of course any mapping done will tie into the new GIS system in Hampstead. The logical progression will be to complete the entire trail systems across Hampstead.

This spring we continued our review of possible water contamination in Hampstead. One site that kept coming up was the trail leading down from Stage Road. During the spring with water seeping out of the ground on the trail always had a rainbow shine to the water. Samples were analyzed and found to be Iron Bacteria which occurs naturally in nature. Also, samples of water were taken from the Depot Field area to test for excessive amounts of fertilizer running into our Cedar swamp area. This year the samples came back within limits, but we will continue to review this area due to this is a major wetland for Hampstead. Other concerns in our community is proposed building and crossing wetlands. Several large building projects that impact wetlands have been reviewed and the Committee always has given our concerns over building projects to the Planning Board or Zoning Board. On certain occasions we have gone directly to DES with our findings and concerns.

As always storms with high winds down trees and our trails become clogged with them. Fortunately, we have a great group of volunteers who clear the trails after storms and help pick up trash after careless individuals. The Commission could not do all this work without this assistance and we appreciate all the people who help keep Hampstead trails open and clean.

Sincerely,

Timothy Lovell

Chairman Hampstead Conservation Commission

FIRE AND RESCUE DEPARTMENT

2017 has been another busy but very productive year for the fire department. The department responded to 1,171 emergency incidents. This is an increase of 8.8% overall and a 5% increase in medical emergencies from 2016.

Additionally, fire department members participated in over one-thousand hours of training, dedicated hundreds of more hours in committee meetings, assisted with the development of additional operating guidelines, and provided significant input in maintaining a dedicated and professional fire department.

The 2018 proposed budget has an increase of 2.89% over the 2017 budget. Within this budget however, is the need to replace the firefighter's protective clothing/gear. The total cost for this replacement is \$47,600; and to minimize the tax impact of the future budgets, the Board of Selectmen allowed the department to incur \$22,400 from the 2017 budget surplus and to budget \$25,200 in the 2018 budget.

The Board of Selectmen authorized a new 4-year dispatch agreement with the Town of Londonderry that will begin in 2018 and go through to the end of 2021. Since the department changed its dispatch service in 2014, there has been a savings of \$97,000; and by the end of the new agreement in 2021, the town will be saving over \$238,000. Even though there is an increase during each year of the new agreement, the town will still be spending less annually than it did in 2014.

The department's budget also provides 24/7 coverage of two (2) firefighter/EMT's. This includes four (4) full time firefighter/EMT's, Per Diem members, and Call firefighter/EMT's. This staffing model allows for the best possible coverage and response while minimizing the cost to the town. This staffing model allows for the immediate response of two (2) emergency personnel to arrive to someone in need - in particular, during medical emergencies and fires. It only takes 4-6 minutes for someone not breathing to have irreversible brain damage. Further, if there is a fire, it will double in size every 60 seconds.

For 2018, the department has applied for a grant in the amount of \$185,000, which will be to replace our self-contained breathing apparatus. Our current equipment was purchased in 2003 and has a life expectancy of 15 years. Therefore, this life-safety equipment will need to be replaced. We meet the grant criteria for replacement as the equipment is more than 10 years old and 2 NFPA standards behind. Hopefully, the town will be fortunate enough to receive the financial assistance with the grant. The department did apply for this in 2017 and was competitive up to the very end; but unfortunately, we did not receive the grant. Hopefully, this will be the year!

The department is also applying for a grant to replace its aging forestry vehicle. The cost to replace this vehicle is estimated to be approximately \$70,000. Hopefully, the grant evaluators will identify our need and provide the assistance in funding.

The department will continue to look for all available financial assistance to continue to provide a cost-effective public safety service for Hampstead.

FIRE AND RESCUE DEPARTMENT

The men and women of the Hampstead Fire-Rescue Department dedicate a significant amount of time and effort to make sure that the Town of Hampstead is provided with the best possible service. Firefighters and EMS personnel attend monthly training sessions that require additional time away from home to make sure their high skill level is maintained for you, your family, and visitors to our town.

The department prides itself on its mission and values, and to serve you and our community.

I would like to thank the Board of Selectmen for their continued support, time, and dedication to the fire department and the Town of Hampstead.

I would also like to thank all the town departments, the Hampstead schools, and all committees for their assistance with the Fire Department as well as the many community members and leaders for their support and assistance. All of which is invaluable!

I would like to especially thank the men and women of the Hampstead Fire/Rescue Department for their help, dedication, and professionalism.

If you are interested in becoming a Call Firefighter/EMT, and you have the ability to commit the time necessary, please stop by the station for an application.

Respectfully submitted,

Michael W. Carrier

HIGHWAY DEPARTMENT

Greetings from the Hampstead Highway Department. We started off the year with a few snow storms. Over the summer we built a break room so the workers can have a clean and warm room to eat in. During the month of February, we had three storms which kept us busy. March came along with a couple of snow and ice events. During this time the Road Agent also met with the paving contractors and town engineer to plan for this year's paving. There was one more snow storm in the month of April to end the season. As a result of the snow melt there were some water problems in April as well. A culvert was replaced that was causing some problems on Russet Lane. We took the sanders out of the trucks and we were glad winter was over. In the late spring and early summer the department started to cut brush on the sides of roads near intersections to improve sight distance. The Town contracted with a new paving company this year and they did a very good job on Emerson Avenue and Wash Pond Road. The Department had six culverts changed out and had ground down the old pavement on Wash Pond Rd. to get ready for paving. A few spots on Emerson Avenue were shimmed to get ready for the final layer of pavement. We also had Governor's Island Road and Eagle Road paved.

Hampstead Area Water Company put a new water line down Hastings Drive to connect with the new development.

The Town did a retro fit with the street lights throughout town by taking out the old style of lighting and installing LED lights, which will make a significant price reduction for power.

With winter fast approaching the Road Agent got road sand and salt stocked up for the season. Also, we worked on the sanders and plows to get them ready for winter. We had a busy month of December with three snow and ice events.

Road Agent,

Jon Worthen

HAMPSTEAD PUBLIC LIBRARY

“Impressive in all respects,” said Susan Young Gaudiello, President, New Hampshire Library Trustees Association when presenting the New Hampshire Library of the Year award to the Staff and Trustees of the Library.

Being named ‘Library of the Year’, acknowledges the care and vivacity that staff devote to their jobs creating a welcoming space for all patrons.

Building maintenance continued to be a focus during 2017 for the Hampstead Public Library. The first floor of the library was painted along with the bathrooms and workrooms. Film coating on the interior of some windows was peeling off so that has been replaced. Mold was removed from the basement book storage room. The emergency door on the north side of the building was replaced and now opens in the appropriate direction. The second floor windows were all re-caulked and new blinds were installed throughout the entire building. Pieces of siding on the trim continued to come down in storms, so 2018 will be the year the exterior of the building is repaired.

2017 was a very busy year for the Library Staff. “Build a Better World” was the theme of the summer reading program. Attendance at youth programs was up 39% and participation in the adult summer reading program saw a 29% increase. Highlights of some of the programs offered over the year included a presentation about John James Audubon. The Library owns rare volumes of his books and they were brought out of the State Archives for viewing. Another highlight was the Spring Read in which copies of *Little House on the Prairie* were distributed and programming was centered around the book. Programming is coordinated by Janet Arden, Adult Programming & Publicity Coordinator and Devin Van Curen, Youth Services Librarian. Total attendance at Library programs increased by more than 2,600.

Three Library patrons obtained their United States Citizenship after studying with the *Civics and Citizenship Toolkit* that is part of the Library collection. Congratulations! The Library is not just about books anymore. The Library helps in many areas from loaning out the citizenship toolkit to loaning out that unique cake pan you need to use only once. There is a telescope that can be borrowed and if you need a CD player to listen to an audiobook, we have that as well. We are also able to borrow items from other libraries throughout the state of New Hampshire. To supplement the collections, eBooks and audiobooks are available and as of February 1, 2018 we will be offering some of your favorite magazines in electronic form.

Other staff highlights include Kate Thomas, Information Technology Librarian, who was elected Chair of the New Hampshire Library Association Information Technology division; Marcia Strykowski received her Level IV New Hampshire Library Association Paraprofessional Librarian certification, the first person in the state of New Hampshire to do so; and various staff members

HAMPSTEAD PUBLIC LIBRARY

completed 'Basic Research Skills', 'The Reference Interview', 'Basic Cataloging', 'Novelist', 'Windows 10', 'Communication with Diplomacy and Tact' and statewide workshops on providing library services to seniors. Ten staff members attended 'Knock Your Socks Off Customer Service' training. That is just a sampling of the types of professional development library staff take part in each year.

Assistant Director, Merrily Samuels received her ten-year staff recognition award along with Janet Arden, Programming & Publicity Coordinator. Marilyn Moran received her five-year staff recognition award.

The Hampstead Mother's Club funded a new reading nook in the Children's area of the Library. There are tree decals on the walls, a teepee for reading and several floor chairs for comfy seating. There is frequently a child or two inside the teepee reading. We are currently planning for a comfy seating area in the Adult area on the second floor and hope to have that completed in early 2018.

The Friends of the Hampstead Public Library continue to support the library with projects not funded through the town allocation. In 2017, they supported the Summer Reading Programs for both youth and adults as well as museum passes and the pencils and magnets that we give to patrons. The Friends also funded Universal Class for the first trial year. Universal Class has over 30 subject areas and more than 500 courses. Many offer continuing education units (CEUs) and all are designed and led by professional instructors to build deeper understanding and mastery of subject matter. All are available free to library patrons. The Library is thankful for their continued support.

Many thanks to the Hampstead Garden Club for maintaining the beautiful gardens around the library building. Thank you to the various clubs and condo associations for their continued support in terms of monetary donations for items such as materials and museum passes. The museum pass program continues to provide no cost or reduced cost admission to area museums. Passes were used a total of 678 times in 2017.

We would also like to thank our volunteers for the 350 hours of help they provided to the library over the course of 2017. Our volunteers provide much needed support for tasks such as sorting and checking donations, filing newspaper articles and keeping our indoor plants alive and well.

Thank you to everyone who helped the Library to achieve the 2017 New Hampshire Library of the Year. It is a special honor to receive this statewide recognition. Everyone who uses the Library was part of this award and we could not have made it there without all of you.

Special thanks go to the Board of Library Trustees, including the Alternates, for the support, encouragement and assistance in making the library such a wonderful place that it is not only used by so many residents, but was recognized as New Hampshire Library of the Year.

Rosemary Krol, Director

ORDWAY PARK

We are grateful to the Hampstead Lions Club for their interest in undertaking a project to mark two significant Lions' anniversaries, and to benefit the local community that they serve. Hampstead Lions invested time, expertise and research into project options; on site tours and meetings were followed up by members of the club and a proposal for a pavilion in Ordway Park was generated. The Ordway Park Committee was delighted with their interest and voted to endorse their proposal. Hampstead Lions officially proposed the project at a meeting of the Town of Hampstead Board of Selectmen. The BOS voted to accept the generous donation of an anniversary pavilion in Ordway Park.

The Hampstead Lions Club is poised to build the anniversary pavilion in 2018. It will be erected in the pavilion courtyard area at the east of the lawn bowl, surrounded by the recently planted Violet's Garden. The design and details are selected by the Lions and accepted by the committee and the BOS. The committee is excited that this project is becoming a reality and is grateful to Hampstead Lions for the generosity. A pavilion has been on the Ordway Park future projects list for 20 years; the committee made several attempts to move forward but did not succeed. Kudos to Hampstead Lions! The anniversary pavilion will be a wonderful asset to our community!

We also appreciate the consistent work and creativity of the Hampstead Garden Club. Ordway Park is one of the HGC's civic sites; they plant and maintain garden areas in town, and provide holiday decorations, as well as offering informational programs open to the public. In Ordway Park, the HGC Ordway Park committee takes care of the central garden which is in the middle of the commemorative walkway. They also take care of Ellie's Garden (near the Main St. entrance of the park) and add their expertise to other plantings near the parking area. Their ongoing efforts are enjoyed by everyone who visits the park (including photographers).

The Selectmen's Office pursued an insurance payment to replace the granite sign post broken as a result of a car accident; a section of the stone wall was also damaged. The Selectmen's Office received payment for replacement/repairs and oversaw the installation of the replacement post.

In 2017, additional maintenance (mowing, trimming, weeding, stick picking up) was donated. Other planned work was postponed and will be rescheduled. Holiday lighting was also donated.

Thanks and appreciation to our community organizations who accomplish so much in town, Hampstead Lions and Hampstead Garden Club. We are grateful indeed that Ordway Park – and our community – benefit from your generous efforts.

Julia Forbes, Chairman

Friends of Ordway Park

PLANNING BOARD

In 2017, the Board filled its office position with Debbie Soucy. Debbie has been a great asset in her short time with the Board. Her enthusiasm, willingness to learn, positive attitude and work ethic has created a new turning point for the Board. She has also provided much needed updating to our webpage and is also the contact person for the Town's new GIS (Global Information System) Mapping. The Board wants to thank Tina Harrington and others within the Town Office for assisting during the months in which we were without our secretary. Also new to the Town of Hampstead in 2017 is Scott Bourcier of Dubois & King Inc, the Boards Consulting Engineer. The Board and Dubois & King have worked during this first year on streamlining past procedures and implementing new ones to better serve the Town of Hampstead and our residents. Our goal is to keep improving in 2018.

This year we will see Member Neil Emerson, who is also the Board's liaison to the Zoning Board of Adjustment, step down. Neil has held a number of positions in Town and has been a benefit to the Board with town history and his working knowledge of town agencies.

The Board approved a number of projects which consisted of 4 Subdivisions, 3 Site Plans and 4 Accessory Dwelling Unit applications. We also have seen a few non-binding conceptual discussions, continued to work on our site plan and subdivision regulations as well as fill our outstanding position on the Rockingham Planning Commission. Our RPC members are Susan Hastings and Alan Davis. Mr. Davis has provided periodic reports to the Board since his appointment. The Board looks forward to receiving more updates from our RCP representatives in the future.

In September, with the coordination of Vice Chairman Ben Schmitz, Debbie Soucy and Tina Harrington, The Board activated the Town's new GIS (Global Information System) Mapping. We want to thank the Residents of Hampstead for supporting this effort. Our GIS is available for anyone to use through the Town of Hampstead website under the Planning Board and Assessing pages. In 2018, we will have additional work done to better align things with the Aerial Photos as well as real time updates from the Assessing Department. The Board is committed to keep improving the system and involving all other Town Departments to add their own data to create a database that all can benefit from.

We also, as a Board, are proposing four (4) changes to the Zoning Ordinance. As part of last year's vote, we overlooked 2 sections on Articles that were passed. As a result those are up for vote this year to have them removed as they are no longer relevant. The next proposed change is to the setback requirements of septic systems to wetlands. This is to resolve an issue with the current Ordinance as well to align it with the State Regulations. The last proposal is to add a definition of "Owner". This is needed to clarify a section within the Accessory Dwelling Unit Ordinance passed last year.

A look into 2018 has us busy with a new Elderly Housing Development, a number of smaller site plans, as well as addressing issues, continuing Conditions of Approvals, Bonding and updating our rules and regulations to better improve and protect the Town.

We welcome Residents to come to our meetings and remind them that we are always looking for Alternate Members.

Paul Carideo, Chairman

PLANNING BOARD PROJECTS

2017 REPORT TO TOWN

PROJECT (MAP/LOT)	PROJECT NAME	DATE	STATUS	COMMENTS
02-037	Thompson Subdivision	1/3/17	Continued Public Hearing	Conditional Approval by vote
02-052	Labrador Lane Subdivision	1/3/17	Extension of Approval	Conditional Approval extended to 2/6/17
		7/17/17	Public Matter	Discussion regarding condition of the site
		8/7/17	Public Matter	SWPPP reports and updated EPA NOI requested
		9/5/17	Public Matter	Reschedule meeting with developer to 9/18/17
02-078	Accessory Dwelling Unit (ADU)	6/5/17	1st Public Hearing	Application accepted and Conditional Approval by vote

POLICE DEPARTMENT

On behalf of all the members of the Hampstead Police Department, I would like to thank the residents for all their support. Over the past year, we have worked hard to keep the community safe. A recently released report rated Hampstead as the 3rd safest town in New Hampshire, in 2016 we were ranked 7th! However, your police department still had its share of police work and worked hard to serve the residents.

The department was assigned more than **5,829** call log items by Rockingham Dispatch this year. Below are some of the more common categories of reports generated in 2017:

• Incident Reports	522	• Car Accidents	179
• Arrests	201	• Motor Vehicle Stops	2,491

With regards to the types of criminal activity that the department deals with, I have provided you with a brief overview of some the more prevalent crimes:

• Reported Assaults	23	• Drug Cases	21
• Reported Burglary / Robbery	15	• Criminal Mischief Reports	31
• Reported Thefts	50	• Sex Offender Registrations	11
• Reported Criminal Threatening	6	• Drug Overdoses	15
• Driving While Intoxicated	32	• Fatal Drug Overdoses	2

I had the opportunity to reflect on the police department's day to day activities over the past year. Although we still dealt with various crimes, the department as whole ran very smoothly. I attribute this to all the hard-working officers who are dedicated to our community.

We continued to deal with burglaries, assaults, thefts, intoxicated people, people drinking & driving, car crashes, drug offenses and more. Arrests were up by 6% and traffic stops were up 62% in comparison to 2016. DWI arrests were up 100% and we can thank Officer Dyer for this. Officer Dyer is a highly trained and certified Drug Recognition Expert. His DWI detection skills have been a valuable resource. The significant increase in traffic stops came from the additional grant patrols, motivated officers and the concerns we received from residents on our Facebook page.

For 2017, the police department received **\$25,356.50** in traffic & DWI patrol grant funds from the New Hampshire Highway Safety Agency. Several officers worked these additional grant patrols and I feel it helps make our roads safer. This grant money provides the Town with additional officers patrolling the roads during commuting hours and on weekend nights, at no cost to taxpayers. These grant funds were used until the end of September and the program was a success.

I am proud to announce that in October, two of my officers received New Hampshire Congressional Law Enforcement Awards. Sergeant Kelley and Officer Randell responded to a call for a suicidal teenager who was barricaded and armed with a gun. Their bravery and quick thinking resulted in a peaceful ending and luckily no one was hurt. A great job done by both officers!

A big part of handling these high-risk calls has to do with good training, which my officers receive annually. Detective Conway is an active member of the Southern New Hampshire Special Operation Unit (a SWAT team). Detective Conway brings his specialized training back to the department and teaches it to all the other officers. Thank you Detective Conway!

Over the past year, my goal was for the department to take more steps towards embracing the concept of community policing. My officers have always cared about the community but I felt it was important that we become more accessible to the residents. One of the ways we did this was through social media and our Facebook page.

After one full year of being operational, our Facebook page now has over 3,000 followers. Facebook has been a means for residents to get a glimpse into some of the things we do via our arrest log posts, accident posts and more. We have also

POLICE DEPARTMENT

used our Facebook page to ask residents for help solving cases and it has been a huge success. A special thank you to all the residents who helped us with these various investigations over the past year. If you have not had a chance to follow us, please look us up on Facebook, we are **Hampstead, NH Police Department**.

Our Facebook page has allowed us to share some of our “softer side”. For example, in May of this year, Officer Cianfrini and Dispatcher Ranlett participated in the National Police Unity Tour. Officer Cianfrini and Dispatcher Ranlett were part of a group who raised money by cycling from New Jersey to Washington D.C. The 2017 Unity Tour raised over 2.6 million dollars.

In October, if you were wondering why most of the department was looking like a bunch of cavemen, it was because of the Beards for Bucks fundraiser. The “Beards for Bucks” fundraiser is held by the Rockingham County Child Advocacy Center (C.A.C.). The C.A.C. is an agency that assists police departments when conducting assault investigations involving children. Sergeant Chambers and Officer Oljey tied for most impressive beard within the department!

In December, Officer Cianfrini, Lieutenant Frazier and officers from 75 other police departments across New England, assisted Santa as he visited children battling cancer at Tufts Medical Center. The officers delivered gifts and holiday cheer to children at the hospital, one being 4-year-old named Ruby Millea.

To end the year, Sergeant Kelley spear headed our first ever Toys for Tots toy drive. The compassion and out pouring of support from our community was amazing. As the weeks went by our training room filled up with so many generous donations. To end the toy drive we collected toys during the Christmas parade and the community support was impressive. We look forward to doing it again in 2018 and I urge residents to bring toy donations to next year’s 2018 Hampstead Firemen’s Association Christmas Parade!

In closing, I want thank all my officers, the Board of Selectmen, fellow town employees, various town leaders and all the residents who help make Hampstead a great place. I look forward to another year of serving Hampstead residents.

Respectfully submitted,

Joseph A. Beaudoin Jr.
Chief of Police

RECREATION COMMISSION

The Hampstead Recreation Commission administers and supervises several recreation programs and all recreation facilities available to the citizens of Hampstead. Members include: Chairman Matt Johnson, Kim Colbert, Liza Synder, Caitlin Parnell, Melissa Denton and Angie Ingraham the Recreation Director.

The summer program for children was our major yearly activity, involving approximately 235 children ages 5-13. The summer program is open to Kindergarten children thru Grade 8. Program sites were at the Memorial Gym and Hampstead Central School. Some of the activities include: water and penny carnival, pizza luncheons, cupcake decorating and walk, pirate and dinosaur days, and sports tournaments. There were trips to the Town Beach and Depot Road, as well as, other exciting field trips, to roller-skating, bowling, Canobie Lake, Funtown-Splashtown, Launch Trampoline Park, Water Country, Mel's Fun Park, Skateland and more.

We also offer swimming lessons in three different time slots and ability. Swimming lessons start at age three with a parent/tot class and advance to a beginner and intermediate class. All classes are taught at the Town Beach. Tennis Lessons are offered at the West Road courts for children 7 to 14 years old.

The Town Beach was a popular spot on the hot days. We're pleased to report that the weekly water testing showed that the water quality remained excellent this summer. A beach parking permit continues to be required and available at the Town Clerk's Office.

The HRC would like to send a special thank you to Mr. & Mrs. Jesso for coordinating and planning all the trips for the Seniors Citizens. Some of the places they went included: Foxwoods, Bourne Scallop Festival, Mohegan Sun, and Fosters Clam Bake.

The senior drop in center is at the Hampstead Library on Thursday mornings run by Jaye Dimando & Megan Stanton. In October the Center was taken over by the Hampstead Library. They do a variety of activities from monthly blood pressure, conversation, fun games, along with coffee and food.

The Annual Senior Citizens' Holiday Dinner held in December was an enormous success being attended by 252 Hampstead Seniors. The dinner was at Pinkerton Academy. Food was provided by the Culinary Arts Program and served by twenty wonderful community volunteers. Entertainment was provided by Cindi Verrill and the St. Anne's choir group which did an outstanding job singing holiday songs. Howie Steadman was the MC doing an outstanding job and leading the day. We extend our thanks to all who volunteered time to help make the day an enjoyable success.

RECREATION COMMISSION

The Hampstead Warrior Obstacle Run is a fun event for children K to grade 8. We designed an obstacle run at Depot Road. We had walls, swings, tunnels, monkey bars and more for the 125 kids that participated in May. The 5th annual Turkey Trot Run/Walk on Thanksgiving morning had around 400 plus runners run/walk. All money raised goes to support future Hampstead Rec. projects. We held the 3rd annual Mother/Son Luau in October for boys and their mothers in grades K to 4th. We had dancing games, a mother/son dance off, delicious food, DJ, dodgeball, musical chairs and fun activities.

The HRC would like to thank the active members of our community who give their time and talent to assist us in our varied programs. Volunteers add to the success and richness of all of our programs. A special thanks to the Civic Club, Soccer Club, Lacrosse Organization, HASB Men's Basketball, and the Mother's Club, for their continued donations of time and money to the improvement and upkeep of the Town's facilities.

We would like to say thank you to Nicole O'Donnell & Geoff Dowd who served on the Recreation Commission as members for years. They did an outstanding job helping the town move forward on too many projects to list them all. We appreciate their time and effort to help make the town a better place. Thank you.

Sincerely,

Angie Ingraham - Hampstead Recreation Director

Melissa Denton, Caitlin Parnell, Liza Synder, Kim Colbert,
Angie Ingraham, Recreation Director and Matt Johnson, Chairman.

RECYCLING & WASTE DISPOSAL

The Hampstead Recycling & Waste Disposal (RWD) Committee is a volunteer advisory committee to the Board of Selectman. Members include Ellen Cabral, Bob Nugent, Chris Kowalowski, Proctor Wentworth, Reinhild Davis and Carol Cipriano. We are focused on ensuring our recycling and trash hauler (Casella) is servicing the residents as outlined in the contract. In addition, we work with residents as well as the schools and local groups to educate on ways to increase recycling and reduce trash.

The Town's trash and recycling tonnage has stayed relatively flat over the past three years. Each Hampstead household is throwing away 28 pounds of trash per week and recycling 10 pounds per week, which calculates to a 26% average recycling rate. This recycling rate is ... OK. The average US recycling rate is 34%. So how can we do better? That's where we need your help.

We are always looking for opportunities to meet with local groups to discuss the importance of recycling and how we can reduce our trash. Over the past few years the RWD Committee has used grant money to support local recycling education. One of the favorite things we do is sponsor a recycling workshop for the entire third grade class at Hampstead Central School. The workshop, Garbage Guerillas, is run by NRRA (Northeast Resource Recovery Association). The day before the workshop, the custodial crew saves the trash from the third-grade classrooms and third grade cafeteria period. On the day of the workshop each third-grade class sorts a few bags of the trash into categories – primarily focused on what could have been recycled and composted. The kids put gloves on and get to work and in the end are always surprised to see what their peers are throwing away and how much of the trash could have been recycled or composted.

In addition, our Committee meets with local groups, including the Boy Scouts, Brownies and Girl Scout troops. If you are a den leader, group organizer or involved parent, contact us and we'd be happy to come to a meeting to discuss ways we can reduce trash and increase recycling. We promise to make it a fun educational session.

The bottom line is this – keep up your recycling efforts because anything we can recycle or compost stays out of the trash. Once it hits the trash can, it's gone forever. Encourage your neighbors, friends and co-workers to start recycling if they aren't.

If you are interested in joining the committee, or even just attending a meeting or two, our door is always open. We meet the second Wednesday of each month at 7:30 at the Town Hall. For any questions, please email us at HampsteadRecycles@gmail.com or call Town Hall at 329.4100. Also, for recycling/trash pick-up information (such as weather delays) and helpful tips on how to reduce your trash, like our "Hampstead Recycles" FaceBook page.

Thank you for recycling!

TOWN CLERK REPORT

TOWN CLERK

INCOME

	2016	2017
Auto & Boat Permits	\$1,859,506.06	\$1,941,316.29
Beach Permits	\$3,360.00	\$3,005.00
Dog Licenses	\$14,149.00	\$14,682.00
Fees	\$53,186.20	\$54,434.00
Freon, Tire, TV coupons	\$7,963.00	\$5,288.00
Marriage License	\$2,400.00	\$1,650.00
Protest Check Fees	\$425.00	\$1,020.00
Trash Stickers	\$2,178.00	\$2,068.00
Transfer Station		
Permits	\$17,940.00	\$18,940.00

TOTAL

\$1,961,107.26	\$2,042,403.29
-----------------------	-----------------------

In 2017, the Town Clerk-Tax Collector's office processed 12,289 motor vehicle and boat registrations, 1,595 dog licenses, 33 marriage licenses, 229 vital statistic certified copies, as well as hundreds of miscellaneous transactions. We have collected \$25,864,046.10 in property tax payments, which is 96.5% of the total property taxes committed.

2017 was an interesting election year with a blizzard hitting on Election Day. Citing safety concerns for voters and town employees, the decision was made to postpone our Town Election. The next available date was March 28th. This was a first for Hampstead and was met with mixed feelings, but I am convinced the correct decision was made.

In October, the NH DMV had a 5 day shutdown to implement the VISION update, which brings NH Driver's Licenses in compliance with Federal Real ID laws. You will notice a difference in the look of your license at renewal.

As a convenience to our residents, we open our office at 7:00AM Monday through Friday, and have evening hours on Monday until 7:00PM. Motor Vehicle renewals can be processed online using our E-Reg program.

We now accept credit card payments for property taxes. Credit card payments can be taken over the phone or over the counter. There is a convenience fee for the service.

Our website, www.hampsteadnh.us, continues to be a great resource for information. Please visit it often, as it is continuously updated. Our policy has been and continues to be to provide exceptional service to the residents of Hampstead. We are always looking for new ideas and appreciate your feedback.

Respectfully submitted,
Patricia Curran

TRUSTEES OF TRUST FUNDS

Trustees operate under statutory requirements dictated by the Division of Charitable Trusts, a unit of NH Department of Justice (DOJ), which is overseen by the Attorney General. The DOJ sets guidelines for the creation and management of charitable trusts including Cemetery Trusts and Capital Reserve Funds. Trustees are responsible for ensuring the instructions for each Trust are dutifully followed as well as the investment of Funds managed and maintenance of Trust records.

Cemetery and High School funds have been under the management of North East Planning (LPL Financial) since 6/28/10 under the “Prudent Investor Rule”. Library Funds were transferred to LPL in June 2015. The investment objective for these funds is to achieve capital appreciation while simultaneously generating needed interest income for end of year distributions. In 2017 market value of Principal held increased by 16.0% (inclusive of capital gains). Overall portfolio interest & dividend income was 0.82% (net of advisory fees). The annualized return on these funds since inception is 5.85%.

All other funds are held in TD Bank EscrowDirect accounts. Capital Reserve Funds must be managed under the Prudent Man Rule and the remaining Trusts require quick liquidity. The average rate of return on all funds held in TD Escrow was 0.35%.

The following is a summary of annual year end distributions.

1. Library Funds: Interest income check for \$74.76 to Town of Hampstead Library
2. High School Fund: Interest income check for \$209.88 to Town of Hampstead School District
3. Cemetery Funds: Care & maintenance check for \$4,312.69 to Town of Hampstead

Gustav Khambatta

Jeff Mackey

Maria Kuhl

ZONING BOARD OF ADJUSTMENT

In 2017, the Hampstead Board of Adjustment granted 18 requests and granted one rehearing. The Board heard 18 requests for Special Exceptions, of which 14 were granted to include a Home Occupation. Four Special Exceptions were denied. The Board heard five Variance requests, of which four were granted and one was denied. Of three re-hearings requested, one was granted. Two appeals from administrative decisions were heard and both were denied.

Hampstead residents voted in March, 2017 to eliminate the requirement of Board approval for Seasonal Conversions. Former in-law and ancillary residential uses were also restructured by vote as Accessory Dwelling Units (ADUs) and such requests now go through the Planning Board of approval.

The Board continues to welcome letters of interest from residents interested in alternate positions on the Board.

HAMPSTEAD SCHOOL BOARD

Left to right: Caitlin Parnell, Jason Cipriano (Vice Chair), Sofie Chirichiello (PA Student Rep), Jim Sweeney, Cathleen Abruzzese, and Karen Yasenka (Chair).

Hampstead has a long, proud history of delivering excellence in education. The 2016-17 school year continued that tradition. Guided by the district's Strategic Plan and School Board goals, we were able to realize many educational accomplishments and address our challenges in ways that focused on solutions that were in the best interest of ALL students.

THE YEAR IN REVIEW

The voters passed the school district budget and three contracts (HEA, HASS, and HSPA) demonstrating their support for education and school personnel.

We welcomed Caitlin Parnell and James Sweeney to the Board table and approved the hirings of the district Facilities Director, Christos Koufos, and Assistant Principal of Central School, Deanna Poulin.

In the interest of safety and in accordance with the district Strategic Plan, two fourth grades were relocated from a portable classroom to the main school building.

With an eye on state affairs, the Board created a new liaison position to Concord to keep us apprised of current

Department of Education and legislative happenings that impact education in Hampstead.

Unfortunately, the bond for the addition and renovations to Central School did not pass as it failed to garner the required sixty percent voter approval.

The Board recognizes the need to maintain student programs and services and to focus on fundamental responsibilities including curriculum, instruction, and assessment. Educationally, our curriculum continues to evolve to meet the needs of our students and New Hampshire's education standards. Our students continue to perform above the state average in English Language Arts and Math. STEAM offerings, changes in educational technology, an integrated arts program, and communication with parents and the community are important focus areas.

The Board is committed to the overall well-being of students and strives to improve the daily, in-school quality-of-life for all students. To that end, classroom behavior management practices were reviewed and positive support practices based on the findings of

“best practices” and evidence-based research were incorporated. The Board also took a closer look at the district homework policy specifically as it applies to grades K-6.

The Hampstead School Board wishes to thank Superintendent Dr. Earl Metzler and Assistant Superintendent Dr. Roxanne Wilson for their educational leadership, as well as the employees of SAU 55 for the overall support they provide to the School District. The Board is most grateful for its outstanding teachers and staff and wishes to recognize their dedication and commitment to Hampstead’s students. We also acknowledge how fortunate we are to have a supportive parent/volunteer base.

In addition to having a talented and committed staff and a sound curriculum, a successful school program requires a facility that is clean, safe, in good repair, and meets space and programmatic needs. After last year’s election, the Board spent a considerable amount of time assessing and evaluating not only the HCS building design plan and the election results, but also the overall conditions that exist within Central School. Our findings led us in a different direction in 2017. The Board voted unanimously to scrap the design plan which originated in 2005 and start fresh with a design that captures the needs of a 21st Century elementary school including safety features, appropriate educational space based on program requirements, energy-efficient renovations, and a design that meets all current building codes and regulations. The HCS Construction Committee was formed to advance the project now known as Hampstead Central

School Repair, Renovation and Renewal Project. In keeping with starting anew, a new theme was chosen-- “Building Hampstead’s Future” as it is a structure that will last for many years into the future and the children are undeniably, Hampstead’s future.

The Board also recognized the added value in working with professionals in the industry and hired Trident’s Project Advantage Group, Dennis Mires, PA The Architects, and Bonnette, Page & Stone Corporation.

An important piece of this process was to collect information from all school and community stakeholders. A public forum was held so community members could voice their opinions and tell us what they would like to see in the school. An important take-away was the desire for a community space that could be used by Hampstead residents. With this and a lot of serious, intensive work on the part of many people, we believe the Hampstead Central School Repair, Renovation and Renewal Project meets the educational and community needs of all Hampstead residents. Thus the School Board recommends the town support this long-overdue initiative.

The Hampstead School Board would like to thank the community for its continued support of our schools and of our students as it is instrumental in achieving our mission: *To provide challenging educational experiences that prepare all students to succeed to their potential in a changing world.* Together we are Building Hampstead’s Future,

Karen Yasenka, Chair Hampstead School Board

REPORT OF THE OFFICE OF SUPERINTENDENT

*Dr. Roxanne Wilson, Assistant Superintendent
Dr. Earl Metzler, Superintendent of Schools*

We are pleased to present the 2016-17 Annual Report for the Hampstead Schools. To observe students benefitting from such high quality opportunities offered in our schools is truly a joy. Our staff treats each day as an adventure in learning, and with great pride our students give their best along their educational journey.

Each year, the administrators and staff focus on goals to improve our curriculum and teaching practice. The Superintendent's goals for 2016-17 included curriculum and instruction, STEAM emphasis, communication, budget, and capital improvements.

Curriculum is reviewed in a cyclical manner, which helps minimize large budget impacts. This year, we implemented the new English Language Art curriculum and supported professional development so teachers could learn how to use the new materials. It was also time to implement the initial phase of researching a new science curriculum. The science curriculum committee took charge of this research in 2016-17 and recommended several programs for teachers throughout the 2017-18 school year. During professional development and early release days, focus remained on curriculum and instruction, specifically

ELA (English Language Arts) and competency development. The District Unified Arts curriculum was updated in each department and was approved by the School Board. Smarter Balanced Assessment

Consortium, state-wide testing referred to as SBAC, was in its final year since the State was planning to contract for a new future test.

The integration of science, technology, engineering, arts, and math is known as STEAM; and the schools are full of various options for students to engage in exciting academic activities. The School Board infused resources designated to enhance our capabilities in these particular areas. Funds were used to purchase robotics kits, invention kits, art supplies, software, and Makerspace materials. Students used their best collaboration skills to solve problems in authentic ways that showcased their inventive and creative attributes. We continued to sponsor a family STEAM night, where the community joined together to try out activities, experiencing first-hand the extent to which STEAM integration is evidenced in careers. Both Hampstead schools together with Pinkerton Academy offered a multitude of ways for students to involve themselves in STEAM-related projects.

Communication to parents expanded through digital platforms, newsletters and conferences. We used a new Blackboard mobile “app” free to parents for quick access to important information. Teachers became more proficient in using websites and Google Classroom. The HMS Principal and School Counselors continued to talk with Pinkerton Academy administrators on a regular basis. The Superintendents and Board members attended several sending schools meetings at Pinkerton Academy.

Administrators presented a reasonable budget (<2% increase) to the School Board in the fall of 2016. It was an open process, using a workshop session, in order to thoroughly understand financial details. The School Board examined the input and created a budget that supported technology, curriculum and instruction, special education, school operations, and facilities improvements. We also had three union contracts on the warrant in 2017, which were overwhelmingly approved by the voters.

As District enrollments at HCS continued to grow, so did the necessity for more

instructional space at HCS. Once again, we prioritized our facilities needs by proposing a building addition onto Hampstead Central School. The three portable classrooms behind HCS were considered beyond end-of-life and a security risk. With the expertise and assistance of Breadloaf Architects, plan and cost estimates of the previous bond proposal were updated. The Board created a video for public viewing and held tours at HCS so the public could see the immediate concerns and building deficiencies. The March 2017 vote did not yield the 60% required for bond approval so the School Board committed to start fresh in 2017-18 and continued to obtain community input for a different plan in 2017-18.

We appreciate being a part of the Hampstead School District, and it is an honor to help guide, educate, and care for Hampstead’s children. More detailed information will follow in this report that highlights the work of the schools and departments.

REPORT OF H-TEAM

Sitting: Maria DiNola, HMS Principal; Dr. Clifton Dancy, Technology Director; and Beth Stevenson, HMS Assistant Principal. Standing: Dillard Collins, HCS Principal; Deanna Poulin, HCS Assistant Principal; Christos Koufos, Facilities Director; Doris Bucu, Director of Curriculum, Instruction and Assessment; and Karen Gallagher, Director of Special Education. Missing: Dr. Roxanne Wilson, Assistant Superintendent and Francine Flynn, Assistant Director of Special Education.

The mission of the Hampstead School District is to provide challenging educational experiences that prepare all students to succeed to their individual potential in a changing world.

This report reflects the work accomplished by administrators and staff in providing quality education to the students of Hampstead. The Superintendent, Dr. Earl Metzler, and Assistant Superintendent, Dr. Roxanne Wilson, acknowledge the team work shown in demonstrating excellence in all aspects of the educational program.

H-Team is comprised of Principals, Assistant Principals, Director of Facilities, Director of Technology, Director of Curriculum, Instruction and Assessment, Special Education Director, Assistant Special Education Director, and the Assistant Superintendent. Hampstead welcomed Beth Stevenson as the new Assistant Principal at HMS this year.

Many goals were met through a collaborative approach and a continued focus of student achievement, curriculum improvements, and technology proficiency. The 5- year strategic plan continued to be priority with all administrators.

Enrollment

In 2016-17, Hampstead School District had an enrollment of 1,307. (Preschool-grade 12)

Hampstead's enrollment for 2022 is projected to increase to 1,325, with most of the increases seen at Hampstead Central School. (NESDEC 2017 enrollment report)

Curriculum

Under the leadership of Doris Bucu, curriculum work continued to be the main agenda during the early release and professional development days.

Following our district textbook adoption cycle, 2016-17 was the implementation year for the *Journeys English Language Arts Program* for grades K-5 and the *Collections English Language Arts Program* for grades 6 – 8. Teachers were involved in training sessions throughout the school year to become familiar with the programs’ content, materials, and digital features.

Many staff were involved in the writing of curriculum to align with state and national standards. HCS and HMS Science, Social Studies, Computer Technology, Unified Arts teachers, Spanish teachers, and School Counselors participated in this important curriculum review. Completed curricula were presented to the School Board for their approval and were posted for public viewing on the district website in the Curriculum and Assessment folder.

Another important focus continued in 2016-17 was STEAM (Science, Technology, Engineering, Arts and Mathematics) education. Fourteen HCS and HMS staff participated in the in-district UNH graduate course which focused on the integration of Science, Technology, Engineering, and Mathematics with the Arts curricula. Additional STEAM training was provided in-house to HMS staff. We achieved our district goal of engaging all 3rd - 8th grade students in at least one STEAM activity that integrated multiple disciplines into a real-world, rigorous, and relevant learning experience.

Targeted professional development also addressed specific HCS and HMS School Goals. To address the HMS School Action Plan writing goal, HMS staff participated in a series of “Writing in the Content Areas” workshops. To address the HCS School Action Plan Goal focusing on social/emotional behavior and growth, professional staff participated in four sessions on the concept of “mindsets.” In addition, paraeducators participated in four professional development sessions on “Promoting Student Independence” to acquire strategies to foster independence in students with whom they work.

The NH State Board of Education Minimum Standards for Public School Approval now requires the development of competencies for grades K-8 and competency-based or performance-based assessments as one means of determining students’ mastery of the competencies. Staff participated in professional development to develop understanding of competencies and performance assessments, reviewed examples of model competencies; and over the course of the school year, identified competencies for our K-8 curricula.

Lastly, the Assistant Superintendent’s Ventures (Gifted and Talented) Advisory Committee completed their task on studying and making recommendations relative to the district’s Ventures program, such as services, programming and identification criteria, and the integration of 21st Century Skills and STEAM education.

Assessment

Each school’s Data Team met regularly to examine student assessment data in the context of district and school goals. They

also assisted grade level teams to collaboratively use data and the inquiry process to improve teaching and learning at the school, grade, and classroom levels.

For the third and final year, 3rd-8th grade students participate in the statewide Smarter Balanced English Language Arts and Mathematics Assessment. Our students continue to outperform the State in English Language Arts and Math proficiency as measured by these assessments. This assessment will be replaced by the NH Statewide Assessment System (NH SAS) in spring 2018.

For the tenth and final year, 4th and 8th grade students participated in the statewide New England Common Assessment Program (NECAP) Science Assessment. Again, our students outperformed the State in Science proficiency as measured by this assessment. This assessment will be replaced by the NH Statewide Assessment System (NH SAS) in spring 2018.

2016-17: Percent Proficient

Grades 3-8	<i>SBAC Reading</i>	<i>SBAC Math</i>	<i>NECAP Science</i>
Hampstead	75%	58%	55%
State	58%	49%	38%

High School Juniors at Pinkerton took the SAT-School wide exam for the State Test.

PA Grade 11 SAT	<i>ERW*</i>	<i>Math</i>
Hampstead Students Only	73%	54%
Pinkerton: All Students	63%	41%

* *English, Reading, Writing*

Technology

The capstone of the 2016-17 school year was the adoption of the 5-year Technology Plan. Dr. Clifton Dancy led a team of teachers, administrators, staff, and parents to develop the plan that included increased professional development for teachers using technology, and a complete overhaul of the department's infrastructure. Work began on the infrastructure renewal with the completion of the firewall installation at Central School. The new devices provided enhanced speed and increased security. Other measures were also put into place throughout the year to increase the security of our network and student data.

The Technology Department added new layers to the district's communication tools including a new alert management system called SchoolMessenger. It allows the simultaneous delivery of phone, email, text messaging, and posting to social media. Another addition was the mobile app that provided news alerts and contact information easily accessible on mobile devices. In the spring of the year, the department introduced a new service called Pickup Patrol. This phone application allows parents to easily notify the schools when student dismissal plans change.

Teachers transitioned from using Moodle as their online presence to Google Sites and Google Classroom. This tool was widely used in Online Learning Blizzard Bag Days. The district employed four online learning days throughout the year keeping the June calendar from extending to the end of the month.

Two 3D printing devices were installed at both schools and students had the opportunity to explore 3D printing technology and use the devices for problem solving activities. Lego Robotics was expanded into the Ventures classrooms. Ventures and technology teachers participated in extensive professional development resulting in many robotics challenges and activities.

Facilities

The School Board proposed a 5.2 million dollar, 10-year bond proposal for HCS. The plan achieved the strategic goal of the disposal of 3 portable classrooms; thereby, bringing HCS instructional spaces into the core academic facility, making improvements to security, and enhancing energy efficiency. It included the following elements:

- Adding a four classroom addition and a music room accommodating program space currently located in portables
- Increasing the R-Value of existing brick walls
- Replacing single-glazed windows
- Adding a new energy efficient mechanical system
- Installing new roofing on 1968 wing
- Adding a new sprinkler system to the entire building
- Improving traffic flow for Kindergarten drop-off
- Bringing Kindergarten rooms to meet minimum standards

This project did not receive a successful vote, in March of 2017, so the Board sought the community's feedback to create a new plan for 2017-18 that would

meet the community's needs, as well as, the school programmatic needs.

Under the leadership of Mike Hall, many facilities projects were completed in 2016-17. Mr. Hall retired from Hampstead in June 2017. We acknowledged the commitment and leadership he showed in the 10 years of service to the Hampstead School District.

Hampstead Central School

- Replaced the roof on portable 1 and 2
- Replaced the carpet in rooms 130, 132 and 133
- Replaced sections of the sewer line
- Replaced the kitchen drain
- Repaired and painted the exterior wood column at main entrance
- Repaired the sewer pump
- Upgraded the lighting to LED
- Painted the Gymnasium walls

Hampstead Middle School

- Repainted selected classrooms, corridors, and the gymnasium
- Replaced hot water pumps
- Replaced VCT in cafeteria and corridor
- Refinished the gymnasium floor
- Installed a new septic tank cover
- Replaced the kitchen sink drain
- Upgraded the lighting to LED
- Replaced the kitchen refrigerator
- Installed the Gravel access road
- Installed the Gym wall padding

Special Education

Under the leadership of Special Education Director, Karen Gallagher, students with identified educational disabilities are

receiving appropriate services to meet their educational needs. Students identified with educational disabilities have Individualized Education Programs (IEPs) that provide them with a free and appropriate public education (FAPE), as mandated by Federal and State law.

As of October 1, 2016 (the child count date for the New Hampshire Department of Education—NHDOE,) the Hampstead School District had 210 students identified with educational disabilities.

The State Performance Plan (SPP) is a plan generated by the NHDOE to improve the outcomes for children and youth with disabilities. Compliance with the SPP is determined by the NHDOE’s review of each school district’s data profile. The data profile consists of various indicators that quantify the performance of the district’s implementation of Individuals with Disabilities Education Act (IDEA). A full report can be found on the NHDOE’s website under Special Education. The Hampstead School District has met all requirements based on the criteria of the SPP for the most recent year evaluated, 2015-16.

The Preschool Outcomes Measurement System (POMS) is a plan generated by the NHDOE to improve the outcomes for preschool students with disabilities. Results indicated the preschool students in the Hampstead School District made excellent gains in the areas of social emotional skills, knowledge and skills, and appropriate behaviors.

At the beginning of the 2016-17 school year, the Special Education Department established three goals. The first goal was to develop a mission statement. With

input from special education staff we developed the following:

The Special Education Department's mission is to provide a free and appropriate public education (FAPE) that improves outcomes for children and youth with disabilities. We provide specialized instruction and services for students with educational disabilities, and ensure their access to the general education curriculum and school activities to the greatest extent appropriate. Our goal is for each student to demonstrate academic achievement, social emotional growth, self-advocacy, and independence.

The second goal was to focus and improve the independence of our students. Mary Beth LaSalle provided professional development training to paraeducators on “Fostering Student Independence.” This training entailed four workshops held throughout the school year.

The third goal was to improve communication with parents and the overall Hampstead community. Our community outreach effort included an evening presentation by Melissa Clay, HCS School Psychologist on “Tips for Adults Supporting Children with Anxiety.”

Pinkerton Academy

In 2016-17, Hampstead continued to send its high school students to Pinkerton Academy. Our students shine at Pinkerton and participate in many of the curricular and extra-curricular activities 2016-17:

Top 10 - Class of 2017

- Emma Bennett

New Hampshire State Scholars

- 48 students

High Honors (2016-17)

- Quarter 1 - 41 students
- Quarter 2 - 37 students
- Quarter 3 - 40 students
- Quarter 4 - 41 students

Honor Roll (2016-17)

- Quarter 1 - 191 students
- Quarter 2 - 154 students
- Quarter 3 - 152 students
- Quarter 4 - 144 students

National Merit Commended Students

- Daniel Lanternier

National Honor Society

- 44 members from Hampstead

National Technical Honor Society

- 24 members from Hampstead

Student Council

- Hosted National Student Council Conference
- 15 members from Hampstead

Future Business Leaders of America

- Pinkerton chapter wins Most Outstanding for fourth straight year
- 1st place in three chapter events
- Ben Tripodi won 1st place in Marketing

DECA (Marketing)

- Most Outstanding Chapter for 3rd straight year
- Jake Fruhbeis helped write campaign that earned PA DECA Distinguished Club status
- Alex Sturgess - 1st place (*Marketing exam, Buying and Merchandising*)
- Jack O'Hara - 1st place (*Marketing exam, Sports and Entertainment Marketing*)

- Ben Tripodi and Connor Delea - 1st place (*Sports and Entertainment Research Project*)
- Aidan Chaisson - 1st place (*Public Relations Campaign*)

HOSA State Leadership Conference

- 24 medals at State Leadership Conference
- Josh Ladipo - 1st place (*Prepared Speaking*)

Model United Nations Conference

- Joseph Blackey (*Honorable Mention*)

Destination Imagination Global Finals

- Molly Hoppa and Wyatt Hoppa were members of team that advanced to Global Finals

SkillsUSA State Competition

- 46 medals won by PA students
- Hailey Hicks - Silver (*Video Production*)
- Daniel Lanternier (*Computer Systems*) & Shane Cahill (*Welding*) won Bronze

VEX Robotics Worlds Competition

- Pinkerton qualified for fourth straight year
- Team member Alex Mielens helped team to 7-3 record at Worlds, 22nd in their division

Future Farmers of America

- Competed at Deerfield Fair Forestry Competition
- Eddie Welch (*Log Roll*) & Nick Rosa (*Pulp Toss*) earned 2nd place

Teacher Prep Program

- Lauren Pardue earned 1st place in Impromptu Speaking at the 2nd Annual NH Educators Rising Competition

HAMPSTEAD CENTRAL SCHOOL

Dillard Collins, Principal

In this report, you will find information about our mission, goals and other activities throughout the 2016-17 school year.

Mission

The mission of the Hampstead Central School is to create a school culture that fosters a love of learning, as we prepare all students for their future. Through a collaborative academic and integrated arts environment, students will thrive as they develop intellectually, physically, socially and emotionally.

School Goals

Throughout the school year we focused our work around four important goals: language arts, social-emotional supports, communication and digital media. Along with these goals, we defined steps and professional development opportunities as needed.

Goal #1 – Language Arts Instruction was enhanced with implementation and training of new instructional tools, including Journeys, and Vocabulary Through Morphemes.

- As part of the implementation of the new Journeys program, all teachers (K-4) received targeted training throughout the school year.
- Professional Learning Community monthly meetings were devoted to team planning of the Journeys program, as well as review of student progress.

- Staff members incorporated the technology tools of Journeys into lesson design, student interventions, and student assessment.
- Classroom teachers in grade four implemented the Vocabulary Through Morphemes program to address vocabulary development.

Goal #2 – Social-emotional supports for students were reviewed and plans were set forth for the future.

- Staff members reviewed the current “Note Home” system to make it a more effective means to share unexpected and expected behavioral evidence with parents.
- During monthly meetings, HCS teams reviewed behavior successes and concerns. This included an assessment of intervention services.
- Staff members explored a variety of behavioral programs which resulted in the implementation of Second Step.
- HCS staff participated in Mindset training during professional development time. Staff members incorporated these strategies at their grade levels.

Goal #3 – We worked on means to improve communication between parents and staff.

- The HCS administration hosted a Husky Forums as a means to seek input on various topics.
- Monthly Bits and Pieces newsletters were posted to our web site. This newsletter highlights grade level events and happenings at HCS.

- HCS significantly upgraded the HCS school and teacher websites to improve communication including classroom, grade level and school wide components.

Goal #4 – HCS systems to support student media products were developed to enhance learning goals.

- Staff reviewed the ISTE (International Society for Technology in Education) 2016 Student Creative Communicator Standard.
- HCS teaching staff worked with students to finalize third and fourth grade projects that were uploaded into student e-portfolios.

School Year News

Education for the Future Surveys

In accordance with the Hampstead School District Strategic Plan, the district again selected an on-line, anonymous survey system for students, parents, and staff. The surveys from Education for the Future provided measures of the culture and climate of our schools. The results were shared with the Hampstead community and continue to support our work in promoting a positive school culture and climate. To learn more about this product, visit the web site at <https://edforthefuture.com>.

New Shade Structure

There is a new shade structure in the middle of the HCS playground. The structure and furnishings are the gifts to the HCS students. The first gift was a significant donation from Katie Tuscano, former HCS paraeducator. With her donation, Katie simply asked that we use these funds to benefit the children of Hampstead Central School. Specifically,

she asked to “do a little something extra for the children of HCS.” After discussing many ideas, we installed a handicapped accessible shade structure in the midst of our school playground. Subsequently, The Hampstead Mothers’ Club gave us donations to add furniture to the project. The new structure was opened to students in June of 2017 with a dedication ceremony. As part of this ceremony, Katie presented another substantial donation that will be used to provide improvements to the HCS playground.

NH Partners in Education

Hampstead Central School received a 26th consecutive Blue Ribbon award to celebrate an enormous amount of volunteer hours. NHPIE also recognized HCS with many Gold Circle awards. These awards recognize the community organizations and businesses that support learning at HCS. Our Partners were:

- Children’s Dental Network, Diane Powers
- Friends Program - Foster Grandparents
- Greater Salem Rotary
- Hampstead Fire & Rescue
- Hampstead Mothers’ Club
- Hampstead Police Department
- Hampstead PTSA
- Hannaford of Hampstead
- Dr. John Kelley, NOAA
- US Postal Service, Hampstead NH

Guest Speaker Lynn Lyons

Noted author, clinical social worker, and psychotherapist, Lynn Lyons was a guest speaker at HCS on April 12. Lynn Lyons specializes in the treatment of anxiety disorders in adults and children. She presented tips for parents and teachers dealing with stress and anxiety in children. This event was sponsored by the Hampstead Mothers' Club.

Student Council

Grade four students experienced the American tradition of campaigning in their effort to be elected to the HCS Student council. The 11 elected members of the 2016-17 Student Council were Amanda Holcombe, Saige Chambers, Ethan Lukow, Lilah DeSimone, Gianna Fillipone, Jefferson Morales, Macie Letoile and Fintan Walsh. Their first project was to work together and help St. Anne's Church with their community food drive.

Multicultural Event - Integrated Arts

Fourth grade students were outstanding in their 2017 Multicultural Musical presentation. Each classroom worked on one particular country or region and shared music, art, dance and research. This year's study included Russia, Ireland, Spain and the Caribbean. An important facet of success with this event is the enormous amount of volunteer support.

Colonial Dance, Integrated Arts

Third grade students spent a Friday morning in March engaged in dance and song with visiting artists from Vermont. Nils Fredland is the head of an ensemble that provided live music along with colonial song and dance. Many of our students were dressed in authentic colonial dress as part of this celebration.

UNH Stembassadors at HCS

November 4th was a fun afternoon for fourth graders at HCS. Eight UNH students collaborated with HCS students in an engaging and fun STEAM challenge activity. The STEAM challenge was to design a theme park ride. Grouped students designed a theme park ride to drop as fast as possible while keeping riders safely inside the ride with the given materials. There were additional constraints to make the design activity complex.

With the help of UNH engineers, HCS students learned the various steps required for good engineering: ask,

imagine, build, test, and improve. This activity addressed mechanical engineering, designing, teamwork, and time management. Special thanks go to HCS and HMS staff for coordinating this work with the UNH College of Engineering and Physical Sciences.

PTSA Reflections Winners

We are especially proud of three HCS students who received state-wide recognition for their contributions to the NH PTA reflections contest.

- Film - Brady Blaszk "The Only Titanic"
- Literature - Kendall LeBel "My Life"
- Visual - Cameron DeAngelis "My Future Spaceship"

Jump Rope For Heart

All of the students in grades three and four participated in the Jump Rope for Heart Event in March. Our focus was on heart health education - exercising, good nutrition, and not smoking. Heart disease is still the #1 cause of death in the United States for men and women. In our effort to give back and to make a difference at a young age, the students raised \$2,479 for the American Heart Association. Thank you to the community for the generous support and encouragement of the children's participation.

Gorham Grant to HCS

Mrs. Burkett's grade four students received a grant from the Hampstead Garden Club. Her class was awarded the Gorham Grant in the fall to purchase bat boxes. Five bat boxes were hung outside as part of an instructional unit on the importance of bats in our environment.

Retirements

THANK YOU to three important members of the Central School who retired in June 2017.

- Mrs. Rosalind Sandler retired from Central School after 20 years. She taught in the T.E.E.C.H program and moved to kindergarten upon the 2006 adoption of public kindergarten.
- Mrs. Cynthia Slye retired after 17 years as the Ventures teacher at HCS.
- Mrs. Sandra Hankus retired after decades in Hampstead Schools as volunteer and paraeducator. She started at HCS as a parent volunteer and was a member of the Hampstead staff for 33 years.

HCS staff members are grateful for the community's support as we pursue a common vision and mission to take care of the needs of each child at HCS.

Central School Retirees

Mrs. Sandler

Mrs. Slye

Mrs. Hankus

HAMPSTEAD MIDDLE SCHOOL

Maria DiNola, Principal

Hampstead Middle School is a dedicated community of learners that had 458 students in grades five through eight enrolled in 2016-17. We are committed to

providing high rigorous standards, critical thinking, and problem-solving challenges in a personalized learning environment for all levels of learners. Through our advisory program, students are guided and supported in their social-emotional development with meaningful activities while affording unique and important understandings of good citizenship that make positive contributions as global citizens. In addition to the core-course emphasis of academics, students explore their creative selves by accessing multiple Unified Arts opportunities. Extracurricular clubs, athletics and community service activities are strongly encouraged for every student.

2016-17 School Goals

HMS has made great progress in reaching the 2-year goals by guiding student learning with informed professional development and focused leadership in the areas of:

- Technology/Digital Citizenship and Creative Communication
- Communication
- STEAM (Science, Technology, Engineering, Arts, and Mathematics)
- English Language Arts

Awards and Distinctions

American Legion Junior Oratorical State Champion

Emma Johnston won the state championship of the American Legion Oratorical Competition. Grade eight students, with the tutelage of their teachers worked diligently on the art of public speaking in their classes. This competition provided an excellent opportunity for students to share their knowledge of the Constitution with the HMS community at our local competition judged by faculty and HSD school board member, Cathleen Abruzzese on March 16, 2017. The public speaking skills of our students were outstanding with a high level of poise while speaking on topics ranging from The Fourth Amendment Privacy rights and First Amendment Religious Freedom rights. The top five students were Vera Backman, Cole Breen, Michael Curtin, Naomi Ford, and Emma Johnston. Congratulations to our top placing students and all grade eight students for shining bright in their public speaking accomplishments.

NH Teacher of the Year Recognition

Mrs. Anne Wallace, HMS Math Specialist, was recognized as a finalist for the 2017 NH Teacher of the Year award. Mrs. Wallace serves as President of NH Teachers of Mathematics as well as the Vice Chairperson of the Department of Education's Professional Standards Board. Congratulations to Mrs. Wallace for her dedication to serving the students and staff of Hampstead as well as math education in the state of NH.

NHBDA 2017 Outstanding Band Director of the Year Award

The New Hampshire Band Directors Association awarded our very own Mr. Robins as the New Hampshire Band Directors Outstanding Band Director of 2017. This award is presented to an individual who has demonstrated an exceptionally high level of competence as a band director, developed a comprehensive band program, and has contributed educationally to the school and provided service to their community. Congratulations Maestro!

2017 NH STEM Excellence in Teaching Award

Mr. David Remillard was the recipient of the 2017 STEM Excellence in Teaching Award. The Joint Committee of Engineering Societies of the NH Society of Professional Engineers selected Mr. Remillard from a pool of highly regarded candidates throughout New Hampshire based on his outstanding dedication to the education of tomorrow's engineers and inventors. Principal Di Nola nominated Mr. Remillard for this award because of his exceptional advancements in the teaching of STEM (Science, Technology, Engineering and Math) to HMS students and professional staff. This is the second year in a row that an HMS teacher has received this state award.

New England League of Middle Schools (NELMS) Spotlight School Award

Hampstead Middle School continues to be bestowed the distinction by The New England League of Middle Schools (NELMS) as a Spotlight School. As a school receiving this distinction, a number of indicators such as effective instruction, collaboration, teaming and a solid understanding of the young adolescent

student were considered in awarding this honor. A few of the commendations included: students openly acknowledged the existence of a safe school environment; administration places high importance on collaboration with teacher and guidance staff and has an open door policy to drive decision-making; a comprehensive School Improvement Plan is in place and monitored by all stakeholders. Hampstead Middle School continues to be proud of this distinction among 34 Spotlight Schools throughout New England.

NELMS Scholar Leader Dinner

On May 25, 2017 HMS Scholar Leaders, Emma Johnston and Cole Breen, were honored at the annual New England League of Middle Schools dinner along with their parents and Principal Di Nola. Their teachers selected Emma and Cole for their high academic performance, leadership attributes and service to the community. The HMS Jazz Choir, under the direction of Mr. Kevin Fisher performed a half-hour set representing our school well at this statewide event.

HMS Teachers Present at NELMS Conference

Hampstead Middle School teachers were featured presenters at the 36th annual New England League of Middle School's Conference held on March 30 and 31, 2017 in Providence, R.I. The conference brought together teachers, administrators, higher education students and professors, as well as others committed to educational growth and improvement. Mrs. Lori-Lyn Griffin and Mrs. Diane Connors presented The Maker Space Journey for All Learners, which provided participants information and strategies on how to engage all students

in real-world 21st Century Skills. They also shared on how to create Maker Space programs that promote creativity, risk taking, problem solving, collaboration and perseverance. Mrs. Kim Downey and Mrs. Heather Mailloux presented a session on how to organize and host a Community STEAM (Science, Technology, Engineering, Arts, and Mathematics) Family Night, an event designed to identify and integrate resources and services from the community to strengthen the school programs of science, math, engineering, and art while involving parents and family.

NHMEA Elementary Honors Chorus

HMS students, Kaileigh McMeniman, Evelyn Morin, Megan Howard, Zoe Sternberg, Isabella Charlebois, Jake Hutchings and Jonathan Uber were selected to perform at the first annual NHMEA Elementary Honors Choral Festival. These young musicians were selected because of their outstanding musicianship skills and dedication to the choral arts.

Little Mermaid Jr. Musical

One hundred and two students participated in this year's musical production of Little Mermaid, Jr. Students prepared for months memorizing their lines, songs and dances to thrill our audiences. Senior citizens were invited along with the HCS fourth graders for a dress rehearsal to "kick off" production week. Mrs. Cindy Verrill directed our cast and crewmembers; choreography direction from Mrs. Jenna McMahon; musical direction from Mr. Kevin Fisher and production direction from Mr. James Robins. Parent volunteers created dramatic sets, make-up and costumes that created a magical evening "under the sea."

Geography Bee Winner

Ethan Charles won the HMS Geography Bee competition between all grades on January 9, 2017. The next step in this national competition requires Ethan to take a qualifying test in the near future to qualify for the state bee in April.

NH Band Director's Association: Top Percussionist

Nick Barbuto, eighth grade HMS band member was selected to participate in the NH Band Directors' Association Middle Level Honor Band event held at UNH on March 17, 2017. Earning the highest percussion score in the state, Nick's audition afforded him the opportunity of playing in a band made up of the highest achieving school musicians from across the state. This prestigious group of musicians rehearsed and performed under the baton of Deb Confredo of Temple University.

Citizenship Award

The Principal's Citizenship Award was presented to Emily McGaffigan, eighth grader, at graduation for being a role-model for her entire school community by demonstrating school spirit, strengthening student self-esteem, promoting appreciation of the rights and responsibilities of citizenship and fostering community service and volunteerism.

Principal's Award

This year's Principal's Award was presented to Brennan Hoppa. Brennan represented the distinguished traits of participation in school and/or community service; showing positive attitudes toward classmates, school, and community; displaying an understanding and appreciation of civic responsibility; possessing strength of character and the

courage to do what is right; promoting citizenship in our school and community through other activities.

Volunteer of the Year Award - Gail Hassler

Through her generous gifts of time, actions, talents and commitment, Mrs. Hassler has made a lasting positive mark on the lives of students and staff at Hampstead Middle School. Mrs. Hassler worked tirelessly to support after-school activities for our students putting “fun” and “service” at the top of the list. Through her caring manner, she was an exemplar of service to others by serving our learning community in so many ways.

Academic and Extra-Curricular Activities

Play for the Cure

On October 4, 2016 the 5th annual Play for the Cure was held at HMS to raise awareness and support of cancer research. HMS teams hosted girls’ soccer game, cross country meet and field hockey. Our thanks go out to Mrs. Kris Eiros, Mrs. Flaherty and Athletic Director, Nancy Benson and for making this a positive and worthwhile community effort. HMS sports teams displayed their support by wearing all pink while competing on the playing fields with a festival of food sales and special items to support this worthy community service project.

Anti-Bullying Club Presentation

On March 31, 2017 ABC students presented their Crayon Skit to the fifth grade classes. The skit utilized a pack of crayons to show the similarities and differences in everyone. They wanted students to know that their differences and similarities make them – THEM, and that they should celebrate their

uniqueness. After the presentation, ABC challenged each fifth grade class to draw a colorful complete picture representing the skit’s message. Each student took a different color and added it to the picture. The pictures were then hung in the fifth grade hall to remind students that they have the power to include, respect and accept everyone for who they are!

Screenagers: Cyber Safety Presentation

On January 4, 2017 SCREENAGERS, an award-winning documentary on social media, video games, academics and internet addiction was presented to HMS faculty in the afternoon and to 150 parents and their children at an evening viewing. Through poignant and unexpectedly funny stories, along with surprising insights from authors, psychologists, and brain scientists, SCREENAGERS revealed how tech time impacts children’s development and offered solutions on how adults can empower kids to best navigate the digital world and find balance.

“Sheep on the Lamb” Project

As service to our community, HMS became a sheep sanctuary for a week in order to help our local farmer, Dave Huston. Farmer Huston’s six-month black/brown sheep named, Colleen, was reported lost. Colleen was sited outside the eighth grade classrooms and a decision was made between our Hampstead Animal Control Officer, Hampstead Police Department, Farmer Huston and Mrs. Di Nola to place a decoy sheep named Maria in the secured Weather Station to lure Colleen back to the fold. Colleen did find her way to her friend, Maria, and both are safe and sound and back on the farm. Students and staff enjoyed our visitor immensely!

Spring Music Concerts and Art Show

On May 30, 2017, under the direction of Mr. Robins, members of the bands and jazz band delighted the audience with an outstanding performance at their spring concert. On May 31st, members of the chorus and jazz choir also dazzled the community with their spring concert under the direction of Mr. Kevin Fisher. Also showcased during these concerts was the HMS Spring Art Show. Mrs. Downey selected student artwork from the past three quarters that displayed excellence in many different mediums.

Eighth Grade Presidential Inauguration Field Trip, Washington, D.C.

Forty-six HMS eighth graders and ten chaperones graciously received tickets to the presidential inauguration from NH Senator Maggie Hassan's office. A special "thank you" to school board member Karen Yasenka for personally contacting the senator's office and other state leaders, advocating for these excellent tickets for our HMS students.

STEAM Family Night

On February 21, 2017 HMS presented our second annual STEAM Family Night. Students, parents and community members participated in a variety of STEAM-based challenges that were appropriate for students in pre-school and older. The STEAM Career Showcase with parents and community ran from 5:30 pm to 6:30 pm followed by "hands-on," problem-solving STEAM challenges from 6:30 pm to 7:30 pm.

Mental Health Awareness Forum

On May 10, 2017, Hampstead School District school counselors successfully presented a forum on the topic of mental health awareness in children and young adolescents. The featured speaker,

former NH Chief Justice of the Supreme Court John Broderick shared his work with Change Directions, a non-profit organization that he co-chairs, about the need to raise awareness, remove harmful stigmas and strengthen community health.

UNH Engineering Student Visit

On November 20, 2016 engineering students from UNH worked with our fifth grade students regarding STEAM career opportunities and project-based challenges. HMS Students worked collaboratively with the college students and discussed force, friction and gravity while creating a STEAM roller coaster project.

Retirements

A special thank you to our HMS retirees for the countless years of their distinguished service to the Hampstead School District: Mr. Paul Cournoyer, physical education teacher and coach; Mr. Michael Hall, HSD Facilities Director; and Mrs. Colleen Simpson, secretary.

To the Members of the School Board:

This is to advise you that as of February 6, 2018 the audit of the financial statements for the year ending June 30, 2017 has been substantially completed and we are in the process of finalizing the audit. A completed audit report will be sent to you by the end of February 2018. Once the audit report is issued, it can be viewed by following the "Audit Reports" link found at www.hampsteadschools.net.

Sincerely,

Michael J. Campo, CPA, MACCY

**OFFICIAL BALLOT QUESTIONS FOR THE
ANNUAL HAMPSTEAD SCHOOL DISTRICT ELECTION
Tuesday, March 13, 2018**

Nancy L. Lacasse, District Clerk

Article 1 - Election of Officers

To choose the following school district officers:

School Board Member 3-year term

School Board Member 3-year term

Article 2 - Bond Issue/Hampstead Central School Repair, Renovation and Renewal Project/20 Year Bond

Shall the voters of the Hampstead School District raise and appropriate the sum of **\$7,400,000** for the *Hampstead Central School Repair, Renovation and Renewal Project* and authorize the issuance of not more than **\$7,400,000** of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and authorize the District to issue and negotiate such bonds or notes and to determine the rate of interest thereon; to apply for, accept and expend any state or other aid that may be available for said project and further raise and appropriate an additional sum of **\$131,851.56** for the first year's interest payment on the bond? (3/5 MAJORITY VOTE REQUIRED)

Recommended by the School Board 5-0-0

Article 3 - Operating Budget

Shall the voters of the Hampstead School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant, for the purposes set forth therein, totaling **\$26,735,997**? Should this article be defeated, the operating budget shall be **\$26,724,114**, which is the same as last year, with certain adjustments required by previous action of the Hampstead School District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. Note: Warrant Article 3 (Operating Budget) does not include appropriations proposed under any other warrant articles. (MAJORITY VOTE REQUIRED)

Recommended by the School Board 5-0-0

Article 4 - Capital Reserve Fund

Shall the voters of the Hampstead School District raise and appropriate up to **\$125,000** to be placed in the School Renovation, Reconstruction and Capital Improvement Capital Reserve Fund established in 2006, with such amount to be transferred from the June 30, 2018 unreserved fund balance (surplus) in excess of \$150,000? (MAJORITY VOTE REQUIRED)

H A M P S T E A D S C H O O L D I S T R I C T

(The first \$150,000 of surplus will be returned to the taxpayers. The next \$125,000 of the surplus will be placed in the Capital Reserve Fund. Any additional surplus will be returned to the taxpayers. The funds from this article come from the 2017-18 school budget surplus, not from additional taxes.)

Recommended by the School Board 5-0-0

Article 5 - General Acceptance of Reports

Shall the Hampstead School District accept reports of agents, auditors, and committees as written in the 2017 Annual Report? (MAJORITY VOTE REQUIRED)

Recommended by the School Board 5-0-0

NOTE: RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

August 2017

EXPENDITURES FOR SPECIAL EDUCATION PROGRAMS AND SERVICES

(Per RSA 32:11-a)

School Year	Expenditures	Revenues
2015-2016	\$5,959,088	\$558,963
2016-2017	\$6,068,811	\$497,706

2017 ELECTION RESULTS

March 14, 2017

Article 1 - Election of Officers

School Board Member	1-year term	CAITLIN PARNELL	1210
School Board Member	3-year term	JAMES SWEENEY	801
School Board Member	3-year term	CATHLEEN ABRUZZESE	758
School District Moderator	3-year term	NEIL REARDON	1328
School District Treasurer	3-year term	LAURA JONES	1267
School District Clerk	3-year term	NANCY LACASSE	1331

Article 2 - Bond Issue/One Story Hampstead Central School Renovation and Construction Project/10 Year Bond

Shall the voters of the Hampstead School District raise and appropriate the sum of **\$5,160,000** for the *One Story Hampstead Central School Renovation and Construction Project* and authorize the issuance of not more than **\$5,160,000** of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and authorize the District to issue and negotiate such bonds or notes and to determine the rate of interest thereon; to apply for, accept and expend any state or other aid that may be available for said project and further raise and appropriate an additional sum of **\$75,608.33** for the first year's interest payment on the bond? (3/5 MAJORITY VOTE REQUIRED)

Recommended by the School Board 5-0

PASS 782 FAIL 838

Article 3 - Operating Budget

Shall the voters of the Hampstead School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant, for the purposes set forth therein, totaling **\$25,876,585**? Should this article be defeated, the operating budget shall be **\$25,794,738**, which is the same as last year, with certain adjustments required by previous action of the Hampstead School District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. Note: Warrant Article 3 (Operating Budget) does not include appropriations proposed under any other warrant articles. (MAJORITY VOTE REQUIRED)

Recommended by the School Board 5-0

PASS 941 FAIL 654

Article 4 - Collective Bargaining Agreement - Hampstead Support Personnel Association

Shall the Hampstead School District vote to approve the cost items included in the collective bargaining agreement reached between the Hampstead School Board and the Hampstead Support Personnel Association, which calls for the following increases in salaries and benefits at the current staffing levels over the amount paid in the prior fiscal year:

Cost Distribution	Year 1	Year 2	Year 3	Year 4
TOTAL	\$4,465	\$20,382	\$20,544	\$19,257

and further to raise and appropriate the sum of **\$4,465** for the 2017-18 fiscal year, such sum representing the additional costs attributable to the increase in salaries and fringe benefits required by the new agreement over those that would be paid at current staffing levels? (MAJORITY VOTE REQUIRED)

Recommended by the School Board 5-0

PASS 927 FAIL 664

Article 5 - Collective Bargaining Agreement - Hampstead Education Association

Shall the Hampstead School District vote to approve the cost items included in the collective bargaining agreement reached between the Hampstead School Board and the Hampstead Education Association, which calls for the following increases in salaries and benefits at the current staffing levels over the amount paid in the prior fiscal year:

Cost Distribution	Year 1	Year 2	Year 3
TOTAL	\$126,164	\$228,921	\$229,351

and further to raise and appropriate the sum of **\$126,164** for the 2017-18 fiscal year, such sum representing the additional costs attributable to the increase in salaries and fringe benefits required by the new agreement over those that would be paid at current staffing levels? (MAJORITY VOTE REQUIRED)

Recommended by the School Board 5-0

PASS 818 FAIL 751

Article 6 - Collective Bargaining Agreement - Hampstead Association of School Staff

Shall the Hampstead School District vote to approve the cost items included in the collective bargaining agreement reached between the Hampstead School Board and the Hampstead Association of School Staff, which calls for the following increases in salaries and benefits at the current staffing levels over the amount paid in the prior fiscal year:

Cost Distribution	Year 1	Year 2	Year 3
TOTAL	\$12,909	\$54,253	\$58,924

and further to raise and appropriate the sum of **\$12,909** for the 2017-18 fiscal year, such sum representing the additional costs attributable to the increase in salaries and fringe benefits required by the new agreement over those that would be paid at current staffing levels? (MAJORITY VOTE REQUIRED)

Recommended by the School Board 5-0

PASS 864 FAIL 699

Article 7 - Authorization for Special Meeting on Cost Items

Shall the Hampstead School District, if Article 4 or Article 5 or Article 6 is defeated, authorize the Hampstead School Board to call a special meeting, at its option, to address the Article 4 and/or Article 5 and/or Article 6 cost item only? (MAJORITY VOTE REQUIRED)

Recommended by the School Board 5-0

PASS 1028 FAIL 528

Article 8 - Capital Reserve Fund

Shall the voters of the Hampstead School District raise and appropriate up to **\$125,000** to be placed in the School Renovation, Reconstruction and Capital Improvement Capital Reserve Fund established in 2006, with such amount to be transferred from the June 30, 2017 unreserved fund balance (surplus) in excess of \$150,000? (MAJORITY VOTE REQUIRED)

(The first \$150,000 of surplus will be returned to the taxpayers. The next \$125,000 of the surplus will be placed in the Capital Reserve Fund. Any additional surplus will be returned to the taxpayers. The funds from this article come from the 2016-17 school budget surplus, not from additional taxes.)

Recommended by the School Board 5-0

PASS 984 FAIL 582

Article 9 - General Acceptance of Reports

Shall the Hampstead School District accept reports of agents, auditors, and committees as written in the 2016 Annual Report? (MAJORITY VOTE REQUIRED)

Recommended by the School Board 5-0

PASS 1282 FAIL 237

Article 10 - Renovate Hampstead Central School by Petition of Jorge Mesa-Tejada et al

Shall the voters of the Hampstead School District raise and appropriate one million two hundred thousand dollars (\$1,200,000) to renovate the Hampstead Central School, specifically, 1) insulate exterior envelope, upgrade HVAC system and re-roof the 1960 wing; 2) install building-wide sprinkler system, including pump, and 3) if there are any remaining funds, perform other renovations per BreadLoaf's quote #2015 dated September 22, 2015? This appropriation shall be non-lapsing, per RSA 32:7,VI, and shall not lapse until the funds are exhausted or June 30, 2021, whichever occurs first. The one million two hundred thousand dollar (\$1,200,000) proposal is based on line items taken from Breadloaf Architects' prior estimate and cannot be legitimately applied to a new proposal outside of the context of the original plan. It does not address existing deficiencies including undersized classrooms, ongoing use of end-of-life portable classrooms with no bathrooms, and insufficient privacy for students requiring individualized instruction. NOTE: This article is null and void if Article 2 is approved. (MAJORITY VOTE REQUIRED)*

Not Recommended by the School Board 5-0
